

# T-BONE CHARGING HANDLE FOR 223/5.56 RED

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

The Strike Industries T-Bone Charging Handle for .223/5.56 AR-15's feature a patented gas redirect system that allows you to configure the gas to exit only left, only right or evenly to both sides. The shaft of the charging handle is machined from 7000 series aluminum which excels in applications requiring lightweight and high strength. However, with comfort and control in mind, the T-Bone latchless handles are made from SI PolyFlex polymer. The handles can be easily swapped with optional (coming soon) different sizes and styles. The latchless feature of the T-Bone gives minimal wear and tear on your AR upper receiver compared to traditional charging handles on the market. The Strike Industries T-Bone Charging Handle for .223/5.56 gives you a modular way to direct the gas and setup the feel and look for one of the most overlooked and essential part of your AR upper receiver. COMPATIBILITY: AR-15/M4/M16 upper receivers NOT COMPATIBLE: AR-10 upper receivers

# Safety Instruction Guide for TBone Charging Handle for .223/5.56

## Introduction

Thank you for choosing the Strike Industries TBone Charging Handle for .223/5.56 AR15s. This product is designed to enhance your shooting experience while ensuring safety and functionality. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or handling the charging handle.
- Use the TBone Charging Handle only with compatible AR15/M4/M16 upper receivers. It is not compatible with AR10 upper receivers.
- Store the product in a safe and dry place when not in use.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the charging handle for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

- Ensure that the charging handle is securely installed before using your firearm.
- Be aware of the gas redirect feature and understand how to configure it safely to prevent injury.
- Avoid using excessive force when operating the charging handle to prevent damage or malfunction.
- Always wear appropriate eye protection when handling firearms to protect against potential debris or gas.
- If you experience any malfunctions or irregularities during use, cease operation immediately and inspect the product.

## Instructions for Installation and Usage

### Installation Instructions

1. **Preparation:** Ensure that your firearm is completely unloaded and pointed in a safe direction.
2. **Remove Old Charging Handle:** If applicable, remove the existing charging handle from your AR15 upper receiver.
3. **Install TBone Charging Handle:**
  - Align the TBone Charging Handle with the receiver.
  - Gently slide it into place until it is fully seated.
4. **Check Functionality:** Pull the charging handle back to ensure it operates smoothly and is securely attached.

### Usage Instructions

- To operate the charging handle, grasp it firmly and pull it back to chamber a round.
- Configure the gas redirect system to your preference:
  - Left only
  - Right only
  - Evenly to both sides
- After firing, ensure the charging handle returns to its original position and check for any gas leakage.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding plastic and metal waste.

- Do not dispose of the charging handle in regular household waste. Check for recycling options in your area.

## **Contact Information for Further Support**

For further assistance, please refer to the manufacturer's website or contact your retailer. Always ensure you have the latest information regarding safety recalls or product updates.

By following these safety guidelines and instructions, you can ensure the safe use of the TBone Charging Handle for .223/5.56. Enjoy your shooting experience, and always prioritize safety.
