## Attributes

- Name: [GUNWERKS REVIC BR4 BALLISTIC RANGEFINDER](#)
- Manufacturer: [GUNWERKS](#)
- Product no.: 100043866
- Mfr. No.: AY-E1020
- Battery: CR2
- Colour: Bronze
- Magnification: 10x
- Range; Reflective: 4000 Yards
- Weight: 10.0 oz
- Delivery weight: 0.517kg
- Shipping height: 89mm
- Shipping width: 108mm
- Shipping length: 152mm
- UPC: 855666005155

## Item details

This product contains a battery.

# REVIC BR4 Ballistic Rangefinder Safety Instructions

## Introduction

Thank you for choosing the REVIC BR4 Ballistic Rangefinder. This guide provides essential safety instructions and guidelines for the safe and effective use of your rangefinder. Please read this document carefully to ensure you understand how to operate the device safely and responsibly.

## General Safety Guidelines

- **Product Safety:** The REVIC BR4 Ballistic Rangefinder is designed for safe use in various environments. Always follow the safety instructions provided in this guide.
- **Enhanced Recalls:** In the unlikely event of a safety concern, be aware of standardized recall notices. You are entitled to free remedies for any dangerous products.
- **Online Shopping:** If you purchased this product online, you have the same safety protections as you would in a physical store. Ensure that the online platform meets safety requirements.
- **Special Consumer Focus:** Extra care should be taken when using the rangefinder around vulnerable groups, such as children. Keep the device out of their reach.
- **EU Contact Point:** For safety inquiries, refer to the manufacturer's contact point as indicated on the product packaging.
- **Rapid Alerts:** Stay informed about any safety alerts regarding the REVIC BR4 via the EU's Safety Gate system.

## Specific Safety Precautions for Use

- **Avoid Direct Eye Exposure:** Do not look directly into the laser beam emitted by the rangefinder. This can cause serious eye injury.
- **Do Not Disassemble:** The rangefinder contains sensitive electronic components. Do not attempt to open or disassemble the device.
- **Keep Away from Moisture:** Avoid using the rangefinder in wet conditions. Moisture can damage the internal components and affect performance.
- **Handle with Care:** The rangefinder is a precision instrument. Handle it gently to avoid physical damage.
- **Use Approved Accessories:** Only use accessories and batteries recommended by the manufacturer to ensure optimal performance and safety.

## Instructions for Installation and Usage

### 1. Inserting the Battery:

- Locate the battery compartment on the rangefinder.
- Open the compartment as per the instructions provided in the product manual.
- Insert the CR2 battery, ensuring correct polarity (+/-).
- Close the compartment securely.

### 2. Powering On the Device:

- Press the power button to turn on the rangefinder.
- Wait for the display to initialize before use.

### 3. Setting Up Bluetooth Connectivity:

- Ensure your Bluetooth device (smartphone or tablet) is powered on.

- Open the Revic Ops mobile app and follow the onscreen instructions to connect to the rangefinder.
- Ensure that the rangefinder is within the Bluetooth range for proper connectivity.

#### 4. **Using the Ballistic Solver:**

- Select the desired ballistic profile using the display menu.
- Aim the rangefinder at the target and press the measurement button to obtain distance and ballistic data.
- Review the data displayed, including wind effects and corrections in MOA or MILS.

#### 5. **Switching Modes:**

- Use the mode button to switch between standard and longrange modes as needed for your shooting scenario.

#### 6. **Performing OvertheAir Updates:**

- Ensure the rangefinder is connected to the Revic Ops app.
- Follow the prompts in the app to check for and install any available updates.

## **Disposal Instructions**

- **Battery Disposal:** Dispose of the CR2 battery according to local regulations for electronic waste. Do not throw batteries in household trash.
- **Device Disposal:** When the rangefinder reaches the end of its life, dispose of it in accordance with local electronic waste disposal guidelines. Do not dispose of it in regular waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the REVIC BR4 Ballistic Rangefinder, please refer to the manufacturer's contact information provided on the product packaging or visit the official website for support resources.

By following these safety instructions, you can ensure a safe and enjoyable experience with your REVIC BR4 Ballistic Rangefinder. Always prioritize safety and responsible usage.
