Accessorize Your Handguard with Ease

COMBAT M-LOK FREE FLOAT HANDGUARDS FOR AR-15 One of the latest handguard designs purpose-built for the popular AR-15 platform is the Midwest Industries Combat M-LOK Rail Handguard. This unique, free-float design is made to offer a range of accessory-attachment options, allowing users to customize their rifle for their unique needs. Each Midwest Industries Combat M-LOK Rail Handguard is machined entirely from aluminum and features seven rows of M-LOK-compatible attachment points. The top of the handguard provides a continuous Picatinny rail for optics and other accessories, and the handguard even offers two separate quick-detach sling sockets that feature an anti-rotation design. Features Color: black May not fit all billet upper receiver designs Not for use with gas-piston AR rifles Fully free-floated design Completely made in the USA, the Midwest Industries Combat M-LOK Rail Handguard includes a heat-treated barrel nut and an installation wrench.

Safety Instruction Guide for COMBAT MLOK FREE FLOAT HANDGUARDS FOR AR15

Introduction

Thank you for choosing the COMBAT MLOK Free Float Handguards for AR15 by Midwest Industries. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your handguard. Please read this document carefully before use.

General Safety Guidelines

- **Product Safety:** Ensure safe handling and use of the handguard. Always adhere to the safety guidelines outlined in this manual.
- **Potential Hazards:** Improper installation or use may lead to accidents, including injury or damage to the firearm.
- **User Responsibility:** It is the user's responsibility to ensure that the handguard is compatible with their AR15 model and that it is installed correctly.
- **Vulnerable Groups:** Keep this product out of reach of children and individuals who may not understand its proper use.

Specific Safety Precautions for Use

- **Compatibility:** Verify that the handguard is compatible with your AR15 model. Not all billet upper receiver designs are suitable.
- **Installation:** Follow the installation instructions carefully. Incorrect installation may compromise safety.
- **Inspection:** Regularly inspect the handguard for signs of wear or damage. Do not use if damaged.
- **Sling Sockets:** Use the quickdetach sling sockets as intended. Ensure they are securely attached before use.
- **Free Float Design:** The handguard is designed to be fully freefloated. Do not attach accessories that may interfere with this design.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including the provided installation wrench.
- Ensure you have a clean workspace free of obstructions.

2. Installation Steps:

- Remove the existing handguard from your AR15 following the manufacturer's instructions.
- Install the heat-treated barrel nut included with the handguard.
- Align the handguard with the barrel nut and secure it in place using the installation wrench.
- Tighten all screws and ensure the handguard is properly fitted and secured.

3. Usage:

- Attach accessories using the seven rows of MLOK-compatible attachment points.
- Always check that all accessories are securely fastened before use.
- Maintain a proper grip on the rifle while using it to ensure stability and control.

Disposal Instructions

- Dispose of the handguard in accordance with local regulations.
- If the handguard is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of in regular household waste.

Contact Information for Further Support

For any inquiries or additional support, please refer to the manufacturer's website or customer service resources. Always ensure that you have the most current information regarding product safety and recalls.

Conclusion

By following this safety instruction guide, you can ensure the safe and effective use of your COMBAT MLOK Free Float Handguards for AR15. Always prioritize safety and responsibility when handling firearms and accessories. Thank you for your attention to these important safety guidelines.
