## Accessorize Your Handguard with Ease

COMBAT M-LOK FREE FLOAT HANDGUARDS FOR AR-15 One of the latest handguard designs purpose-built for the popular AR-15 platform is the Midwest Industries Combat M-LOK Rail Handguard. This unique, free-float design is made to offer a range of accessory-attachment options, allowing users to customize their rifle for their unique needs. Each Midwest Industries Combat M-LOK Rail Handguard is machined entirely from aluminum and features seven rows of M-LOK-compatible attachment points. The top of the handguard provides a continuous Picatinny rail for optics and other accessories, and the handguard even offers two separate quick-detach sling sockets that feature an anti-rotation design. Features Color: black May not fit all billet upper receiver designs Not for use with gas-piston AR rifles Fully free-floated design Completely made in the USA, the Midwest Industries Combat M-LOK Rail Handguard includes a heat-treated barrel nut and an installation wrench.

# Safety Instruction Guide for COMBAT MLOK Free Float Handguards for AR15

## Introduction

Thank you for choosing the COMBAT MLOK Free Float Handguards for AR15 by Midwest Industries. This product is designed to enhance the functionality and customization of your AR15 platform. To ensure safe and effective use, please read this guide carefully. It includes important safety information, installation instructions, and guidelines for proper usage and disposal.

## General Safety Guidelines

- Always handle firearms and related accessories with care and respect.
- Ensure that the handguard is compatible with your specific AR15 model before installation.
- Inspect the product for any damage or defects before use. Do not use if damaged.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- Keep the handguard and all accessories out of reach of children and unauthorized users.
- Be aware of the potential hazards associated with firearm accessories, including but not limited to:
  - Improper installation leading to malfunction.
  - Incompatibility with certain firearm models.
  - Sharp edges during handling and installation.

## Specific Safety Precautions for Use

- **Compatibility:** Verify that the handguard is suitable for your AR15 model. It may not fit all billet upper receiver designs.
- **Installation:** Follow the installation instructions carefully to avoid improper fitting, which can lead to safety hazards.
- **Sling Sockets:** Utilize the quickdetach sling sockets as intended. Ensure they are securely attached before using the sling.
- **FreeFloat Design:** The handguard is designed to be fully freefloated. Ensure that it does not make contact with the barrel to maintain accuracy and safety.
- **Heat Management:** Be cautious of heat buildup during extended use. The handguard may become hot and can cause burns if touched.
- **Regular Inspections:** Periodically check the handguard and its components for wear and tear. Replace or repair as necessary.

## Instructions for Installation and Usage

### Installation Instructions

1. **Gather Tools:** Ensure you have the necessary tools, including an installation wrench (included) and a heattreated barrel nut.
2. **Remove Existing Handguard:** If replacing an existing handguard, carefully remove it from the upper receiver.
3. **Install Barrel Nut:**
  - Attach the heattreated barrel nut to the upper receiver. Ensure it is securely fastened.
  - Follow the manufacturer's torque specifications for proper installation.
4. **Attach Handguard:**
  - Slide the COMBAT MLOK handguard over the barrel nut.
  - Align the handguard with the upper receiver and secure it in place according to the provided instructions.
5. **Check Alignment:** Ensure the handguard is properly aligned and does not interfere with the rifle's

operation.

6. **Install Accessories:** Attach any desired accessories using the MLOK compatible attachment points and the continuous Picatinny rail.

## **Usage Instructions**

- After installation, familiarize yourself with the handguard and its features.
- Test the attachment points and sling sockets to ensure they are secure before use.
- Always perform a safety check on your firearm before operation.

## **Disposal Instructions**

- Dispose of the handguard and any packaging materials in accordance with local regulations.
- Recycle materials wherever possible. Check local guidelines for proper recycling procedures for aluminum and plastic components.

## **Contact Information for Further Support**

For any questions or concerns regarding the COMBAT MLOK Free Float Handguards for AR15, please refer to the manufacturer's website or contact their customer support for assistance.

By following these guidelines, you can ensure that you use the COMBAT MLOK Free Float Handguards safely and effectively. Thank you for your attention to these important safety instructions.
