[Handgun Parts](#) > [Frame Parts](#) > [Magazine Release Parts](#) > [Magazine Releases](#)

The Shield Arms steel mag catch is optimized to work with the Shield Arms S15 magazine. While it remains compatible with plastic OEM magazines, it can cause increased wear on plastic mags with prolonged use. We do not recommend using our steel mag catch with plastic OEM mags. Steel mag catch, several finish options Chamfered, textured button Optimized for use with Shield Arms S15 magazines Lower profile for concealed carry Made in the USA 100% lifetime warranty

Safety Instruction Guide for the Steel Enhanced Magazine Catch for Glock® 43X/48

Introduction

Thank you for choosing the Steel Enhanced Magazine Catch for Glock® 43X/48. This guide provides important safety information and instructions to ensure the safe use and installation of your new magazine catch. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Regularly inspect the magazine catch for any signs of wear or damage.
- Do not use the steel magazine catch with plastic OEM magazines, as it may cause increased wear.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or replacing the magazine catch.
- Use caution when handling firearms and always follow basic firearm safety rules.
- Do not attempt to modify the magazine catch or any other firearm components.
- If you notice any malfunction or unusual wear during use, discontinue use immediately and consult a qualified gunsmith.
- Be aware that the magazine catch is optimized for use with Shield Arms S15 magazines only.

Instructions for Installation and Usage

Installation Steps

1. Prepare Your Firearm:

- Ensure the firearm is unloaded and pointed in a safe direction.

2. Remove the Existing Magazine Catch:

- Use a suitable tool to carefully remove the existing magazine catch from the firearm.

3. Install the Steel Enhanced Magazine Catch:

- Align the new magazine catch with the designated slot on the firearm.
- Securely fasten the magazine catch in place, ensuring it is properly seated.

4. Test the Installation:

- Insert a Shield Arms S15 magazine to ensure proper fit and function.
- Check for smooth operation when releasing and inserting the magazine.

Usage Guidelines

- Always ensure the magazine catch is functioning correctly before using the firearm.
- Regularly check the magazine catch for any signs of wear or damage during routine maintenance.
- Use only compatible magazines as specified to avoid potential hazards.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer in use, ensure it is disposed of safely to prevent accidents.

Contact Information for Further Support

For any inquiries or support regarding the Steel Enhanced Magazine Catch for Glock® 43X/48, please refer to the manufacturer's contact resources. Ensure you have the product information ready for efficient assistance.

By following these guidelines, you can ensure the safe and effective use of your Steel Enhanced Magazine Catch. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
