

# STEEL ENHANCED MAGAZINE CATCH FOR GLOCK® 43X/48 - SHIELD ARMS G48/43X MAGAZINE CATCH STEEL GREY

[Handgun Parts](#) > [Frame Parts](#) > [Magazine Release Parts](#) > [Magazine Releases](#)

The Shield Arms steel mag catch is optimized to work with the Shield Arms S15 magazine. While it remains compatible with plastic OEM magazines, it can cause increased wear on plastic mags with prolonged use. We do not recommend using our steel mag catch with plastic OEM mags. Steel mag catch, several finish options Chamfered, textured button Optimized for use with Shield Arms S15 magazines Lower profile for concealed carry Made in the USA 100% lifetime warranty

# Safety Instruction Guide for Steel Enhanced Magazine Catch for Glock® 43X/48

## Introduction

Thank you for choosing the Steel Enhanced Magazine Catch for Glock® 43X/48 by Shield Arms. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions.
- Regularly inspect the magazine catch for signs of wear or damage.
- Avoid using the steel magazine catch with plastic OEM magazines to prevent increased wear.
- Always keep the product out of reach of children and vulnerable individuals.
- Report any unsafe product conditions or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the Steel Enhanced Magazine Catch with Shield Arms S15 magazines for optimal performance.
- If you notice any unusual wear or functionality issues, discontinue use immediately.
- Ensure the magazine catch is securely installed before using your firearm.
- Always handle firearms with care and follow safe handling practices.
- Be aware of your surroundings when using firearms equipped with this magazine catch.

## Instructions for Installation and Usage

### Installation

1. **Read the Manual:** Before starting the installation, read all instructions carefully.
2. **Gather Tools:** Ensure you have the necessary tools for installation, including a punch tool and a hammer.
3. **Remove the OEM Magazine Catch:**
  - Unload your firearm completely.
  - Use the punch tool to remove the existing magazine catch from the firearm.
4. **Install the Steel Enhanced Magazine Catch:**
  - Align the new magazine catch with the magazine release hole.
  - Gently tap the catch into place with the hammer and punch tool until secure.
5. **Test the Installation:**
  - Ensure the magazine catch operates smoothly and securely holds the magazine.

### Usage

- To release the magazine, press the textured button on the magazine catch.
- Regularly check the functionality of the magazine catch during routine firearm inspections.
- Avoid applying excessive force when using the magazine catch to prevent damage.

## Disposal Instructions

- Dispose of the product responsibly according to local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling metal components where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the Steel Enhanced Magazine Catch, please refer to the manufacturer's website or customer support resources.

Thank you for prioritizing safety and responsible use. Enjoy your enhanced shooting experience with the Steel Enhanced Magazine Catch for Glock® 43X/48.
