

# STEEL ENHANCED MAGAZINE CATCH FOR GLOCK® 43X/48 - G48/43X MAGAZINE CATCH STEEL BLUE

[Handgun Parts](#) > [Frame Parts](#) > [Magazine Release Parts](#) > [Magazine Releases](#)

The Shield Arms steel mag catch is optimized to work with the Shield Arms S15 magazine. While it remains compatible with plastic OEM magazines, it can cause increased wear on plastic mags with prolonged use. We do not recommend using our steel mag catch with plastic OEM mags. Steel mag catch, several finish options Chamfered, textured button Optimized for use with Shield Arms S15 magazines Lower profile for concealed carry Made in the USA 100% lifetime warranty

# Safety Instruction Guide for Steel Enhanced Magazine Catch for Glock® 43X/48

## Introduction

Thank you for choosing the Steel Enhanced Magazine Catch for your Glock® 43X/48. This product is designed to enhance your magazine release experience while ensuring safety and compatibility. Please read this safety instruction guide carefully before using the product to ensure safe and effective operation.

## General Safety Guidelines

- Ensure that the product is used only with compatible magazines, specifically the Shield Arms S15 magazine.
- Avoid using the steel magazine catch with plastic OEM magazines to prevent increased wear and potential malfunction.
- Always handle firearms and their accessories with care and in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the magazine catch for signs of wear or damage before use.
- If you experience any issues or concerns regarding the product, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Use the product only as intended. Do not modify or alter it in any way.
- Ensure that the firearm is unloaded before installing or handling the magazine catch.
- Wear appropriate eye protection when handling firearms and accessories.
- Be aware of your surroundings and ensure that you are in a safe environment when using firearms.
- If you are inexperienced with firearms, seek guidance from a qualified instructor.

## Instructions for Installation and Usage

### Installation Instructions

1. **Ensure Safety:** Make sure your firearm is unloaded and pointed in a safe direction.
2. **Remove Old Magazine Catch:** If applicable, remove the existing magazine catch from your Glock® 43X/48.
3. **Install New Magazine Catch:**
  - Align the new steel magazine catch with the catch housing.
  - Slide it into place until it clicks securely.
4. **Test Functionality:**
  - Insert a compatible Shield Arms S15 magazine.
  - Ensure that the magazine catch operates smoothly and securely holds the magazine.

### Usage Instructions

- To release the magazine, press the textured button on the magazine catch.
- Practice using the magazine catch in a safe environment to become familiar with its operation.
- Regularly check the magazine catch for proper function and any signs of wear.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for metal products.
- Do not dispose of the product in household waste.

- If the product is damaged or no longer usable, consider recycling any metal components.

## **Contact Information for Further Support**

For any questions or concerns regarding the Steel Enhanced Magazine Catch for Glock® 43X/48, please refer to the manufacturer's website or contact your local retailer for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Steel Enhanced Magazine Catch. Always prioritize safety and responsible handling of firearms and accessories. Thank you for your attention to these guidelines.
