

# STEEL ENHANCED MAGAZINE CATCH FOR GLOCK® 43X/48 - SHIELD ARMS G48/43X MAGAZINE CATCH STEEL BRONZE

[Handgun Parts](#) > [Frame Parts](#) > [Magazine Release Parts](#) > [Magazine Releases](#)

The Shield Arms steel mag catch is optimized to work with the Shield Arms S15 magazine. While it remains compatible with plastic OEM magazines, it can cause increased wear on plastic mags with prolonged use. We do not recommend using our steel mag catch with plastic OEM mags. Steel mag catch, several finish options Chamfered, textured button Optimized for use with Shield Arms S15 magazines Lower profile for concealed carry Made in the USA 100% lifetime warranty

# Safety Instruction Guide for Steel Enhanced Magazine Catch for Glock® 43X/48

## Introduction

Thank you for choosing the Steel Enhanced Magazine Catch for Glock® 43X/48 by Shield Arms. This product is designed to enhance your firearm's performance and reliability. However, it is essential to follow safety guidelines to ensure safe use and compliance with regulations.

## General Safety Guidelines

- Always handle firearms with care and follow all local laws and regulations regarding firearm ownership and usage.
- Ensure that the magazine catch is compatible with your specific firearm model before installation.
- Inspect the magazine catch regularly for signs of wear or damage.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- The steel magazine catch is optimized for use with Shield Arms S15 magazines. Do not use it with plastic OEM magazines for prolonged periods, as this may cause increased wear.
- Avoid using the product in environments where it may be exposed to extreme temperatures or harsh chemicals.
- When installing or removing the magazine catch, ensure the firearm is unloaded and pointed in a safe direction.
- Always wear appropriate safety gear, such as eye protection, when handling firearms.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather necessary tools for installation (e.g., screwdriver).

### 2. Installation:

- Remove the existing magazine catch from the firearm by following these steps:
  - Locate the magazine catch release button.
  - Use a screwdriver to carefully detach the magazine catch.
- Install the Steel Enhanced Magazine Catch:
  - Align the new magazine catch with the corresponding slot on the firearm.
  - Securely fasten the magazine catch in place using the appropriate tools.

### 3. Usage:

- To release the magazine, press the magazine catch button with your thumb.
- Practice using the magazine catch with unloaded magazines to ensure familiarity with its operation.

### 4. Maintenance:

- Regularly check the magazine catch for any signs of wear or damage.
- Clean the magazine catch as needed to maintain optimal performance.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer functional, do not attempt to repair it. Instead, dispose of it responsibly.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the Steel Enhanced Magazine Catch, please refer to the manufacturer's contact information provided on the packaging or product manual.

Thank you for prioritizing safety and compliance while using our products. Your adherence to these guidelines ensures a safer experience for yourself and others.
