

# **GUN COLLECTOR SOFTWARE CROSS PLATFORM - NMCOLLECTOR.NET GUN COLLECTOR SOFTWARE CROSS PLATFORM**

[Shooting Accessories](#) > [Books & Videos](#) > [Software](#) > [Firearms Values](#)

Catalog Your Entire Gun Collection on Your Computer. Keep track of every aspect of your gun collection with this database program conveniently loaded on a USB flash drive. Create detailed files on individual guns with model number, serial number, purchase date, purchase price, sale price, and appraised value—even lets you attach photos to each entry. Searchable database has a statistics feature that lets you track both the appraised and realized value of individual firearms, or your entire collection. Print hard copy reports, modify, or add field headings, and add your own drop-down values. Can be run on Windows, Mac and Linux systems. Free upgrades downloadable from Internet with purchase. This is nmCollector.net LLC's latest offering to the collector community. CP stands for ""Cross Platform"" since this is designed to provide a consistent interface and easy data sharing across all commonly available application platforms, namely, Windows, Mac, Linux, iOS and Android. This version of NM Collector Software Cross Platform sold by Brownells includes a lifetime activation of full software access, giving you a saves over purchasing annually.

# Safety Instruction Guide for GUN COLLECTOR SOFTWARE CROSS PLATFORM

## Introduction

Thank you for choosing GUN COLLECTOR SOFTWARE CROSS PLATFORM by NMCOLLECTOR.NET. This software is designed to help you catalog and manage your gun collection effectively and safely. Please read this safety instruction guide carefully to ensure the safe use of the software and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the software by following the instructions provided. This software is designed for nonfood product use and covers risks not addressed by other EU laws.
- **Enhanced Recalls:** Stay informed about any recalls or updates related to the software. Standardized recall notices will be provided if necessary.
- **Online Shopping:** When purchasing the software online, you are entitled to the same protections as when shopping in physical stores. Ensure that the platform you use meets safety requirements.
- **Special Consumer Focus:** Extra safeguards are in place for vulnerable groups. Ensure that children do not have unsupervised access to the software.
- **EU Contact Point:** For any safety inquiries, please refer to the EU-based contact provided with your purchase.
- **Rapid Alerts:** Stay updated on any unsafe products through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **User Age:** This software is intended for use by individuals aged 18 and older. Ensure that minors do not use the software without adult supervision.
- **Data Security:** Protect your personal and sensitive data. Use strong passwords and secure your USB flash drive to prevent unauthorized access.
- **Software Updates:** Regularly check for software updates to ensure you have the latest features and security patches. Download updates only from the official NMCOLLECTOR.NET website.
- **Backup Data:** Regularly back up your data to prevent loss. Use external storage solutions or cloud services for additional security.
- **Safe Usage:** Avoid using the software in environments with high risk of physical damage to your computer or USB flash drive.

## Instructions for Installation and Usage

- **Installation:**

1. Insert the USB flash drive into an available USB port on your computer.
2. Follow the onscreen instructions to install the software.
3. Ensure that your operating system is compatible (Windows, Mac, or Linux).

- **Usage:**

1. Launch the software from your computer.
2. Create a new database or open an existing one to start cataloging your gun collection.
3. Enter details for each firearm, including model number, serial number, purchase date, and appraised value.
4. Use the search functionality to find specific entries or generate reports as needed.

- **Modifications:** You can modify field headings and add dropdown values to customize your database

experience.

- **Printing Reports:** Utilize the print feature to generate hard copy reports of your collection for personal records or sharing.

## Disposal Instructions

When it comes time to dispose of the software or USB flash drive, please follow these guidelines:

- **Software:** Uninstall the software from your computer through the control panel or system preferences.
- **USB Flash Drive:** If disposing of the USB flash drive, ensure that all data is securely deleted. Consider using datawiping software to prevent recovery.
- **Environmental Responsibility:** Dispose of electronic waste in accordance with local regulations. Do not throw electronic devices in regular trash. Use designated ewaste disposal facilities or recycling programs.

## Contact Information for Further Support

For any questions or concerns regarding the GUN COLLECTOR SOFTWARE CROSS PLATFORM, please refer to the contact information provided with your purchase. Ensure that you have the necessary details at hand for effective communication.

Thank you for following these safety instructions. Your compliance helps ensure a safe and enjoyable experience with your GUN COLLECTOR SOFTWARE CROSS PLATFORM.
