# Consumer Safety Instruction Guide for Apex Failure Resistant Extractor for Slim Frame Glock

## Introduction

Thank you for choosing the Apex Failure Resistant Extractor for Slim Frame Glock pistols. This guide provides essential safety instructions to ensure the safe use and installation of your extractor. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the extractor is compatible with the following Slim Frame Glock models: G43, G43X, G43MOS, G48, G48MOS.
- Always handle firearms with care and in accordance with local laws and regulations.
- Store this product out of reach of children and unauthorized users.
- Regularly inspect the extractor for wear and tear. Replace it if any damage is found.
- Do not use the extractor with aftermarket slides and/or barrels due to variations that may cause unsafe conditions.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or removing the extractor.
- Wear appropriate safety gear, including eye protection, when handling firearms.
- Avoid using excessive force when installing or removing the extractor to prevent damage.
- Follow all manufacturer instructions for your specific Glock model to ensure proper fit and function.
- If you experience any malfunctions or failures, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is completely unloaded.
- Gather necessary tools: a punch tool, hammer, and cleaning cloth.

### 2. Installation Steps

- Remove the slide from the Glock pistol according to the manufacturer's instructions.
- Use the punch tool to gently tap out the existing extractor.
- Clean the extractor groove in the slide to remove any debris or fouling.
- Align the new Apex Failure Resistant Extractor with the extractor groove.
- Gently tap the extractor into place using the punch tool until it is fully seated.

### 3. PostInstallation Check

- Verify that the extractor is securely installed and properly aligned.
- Reassemble the firearm and perform a function check to ensure correct operation.

### 4. Usage

- Always ensure that the extractor is functioning correctly before use.
- Regularly maintain and clean the extractor to ensure reliable performance.

## **Disposal Instructions**

- Dispose of the extractor in accordance with local regulations regarding metal waste.
- Do not dispose of any firearm components in regular household waste.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the Apex Failure Resistant Extractor, please refer to the contact information provided by the manufacturer or retailer.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is our priority.
