

# **CZ SCORPION EVO3 ESK SAFETY SELECTOR - MAGPUL ESL SAFETY SELECTOR AMBIDEXTROUS FOR CZ SCORPION EVO 3 BLACK**

[Rifle Parts](#) > [Safety Parts](#) > [Safeties](#)

The ESK - CZ Scorpion EVO3 is an optimized safety selector lever kit for the CZ Scorpion EVO3 platform that provides easier firing hand access to the weapon selector lever. A complimentary product to our MOE-EVO Grip, it's also compatible with OEM and aftermarket grips. This kit maintains a Magpul aesthetic while enhancing functional use during high stress conditions with its enhanced ergonomics, ease of reach and employment, and user-configurable levers. Using the OEM selector drum, the ESK - CZ Scorpion EVO3 levers can be configured for ambidextrous use, include short and long paddles, and an optional safety delete. They're easy to install and require no gunsmithing. Mounting screws included. A 1.5mm hex wrench is needed for the installation. User-configurable levers for ambidextrous use Easier firing hand access to selector lever Compatible with OEM and aftermarket grips Constructed of high-strength polymer Mounting screws included CZ Scorpion EVO3 semi-auto carbines and pistol

# CZ Scorpion EVO3 ESK Safety Selector User Manual

## Introduction

Thank you for choosing the CZ Scorpion EVO3 ESK Safety Selector. This product is designed to enhance the functionality and safety of your CZ Scorpion EVO3 platform. Please read this manual thoroughly to ensure safe and effective use of the safety selector.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that you are in a safe environment when handling your firearm.
- Keep the safety selector in the "safe" position when not in use.
- Be aware of your surroundings and ensure that your firing hand is clear before operating the selector lever.
- If you are unfamiliar with firearm operation, seek instruction from a qualified professional.
- Regularly inspect the safety selector and your firearm for any signs of wear or damage.
- Store your firearm and accessories in a secure location, out of reach of children and unauthorized users.

## Specific Safety Precautions for Use

- The ESK Safety Selector is designed for use with the CZ Scorpion EVO3. Do not attempt to use it with other firearm models.
- Ensure that you are using the correct installation tools, including a 1.5mm hex wrench, to avoid damaging the product.
- When configuring the levers for ambidextrous use, ensure that they are securely attached before operating the firearm.
- Avoid using excessive force when operating the safety selector to prevent malfunction.
- Do not modify or alter the safety selector in any way that could compromise its integrity or safety features.
- If you experience any issues with the safety selector, cease use immediately and consult a qualified professional.

## Instructions for Installation and Usage

### 1. Unboxing and Inspection

- Carefully remove the ESK Safety Selector from its packaging.
- Inspect the product for any visible damage or missing parts.
- Ensure that all components, including mounting screws, are present.

### 2. Installation

- Gather the required tools: a 1.5mm hex wrench and a clean workspace.
- Remove the existing safety selector from your CZ Scorpion EVO3 by following the manufacturer's guidelines.
- Align the ESK Safety Selector with the OEM selector drum.
- Securely attach the selector levers using the provided mounting screws. Ensure that they are tightened properly but do not overtighten.
- If configuring for ambidextrous use, select the appropriate lever paddles (short or long) and follow the same installation steps.
- Test the functionality of the safety selector by operating it in both the "safe" and "fire" positions.

### 3. Usage

- Familiarize yourself with the operation of the ESK Safety Selector.
- Practice using the selector lever in a safe and controlled environment.
- Always ensure that the firearm is pointed in a safe direction when operating the safety selector.

## Disposal Instructions

- Dispose of the ESK Safety Selector in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer functional, consider recycling the materials where possible.

## Contact Information for Further Support

For any inquiries regarding the ESK Safety Selector, please refer to the manufacturer's contact information provided on the packaging or product documentation.

Thank you for your attention to these safety guidelines. Your adherence to these instructions will help ensure a safe and enjoyable experience with your CZ Scorpion EVO3 ESK Safety Selector.
