Safety Instruction Guide for EXTENDED ACTION BITS FIX IT STICKS

Introduction

Thank you for choosing the EXTENDED ACTION BITS FIX IT STICKS. This product is designed to help you tighten hardtoreach screws with ease. To ensure your safety and the proper use of this product, please read this safety instruction guide carefully.

General Safety Guidelines

- Always use the product as intended and according to the instructions provided.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage or wear before each use. Do not use if damaged.
- Ensure that the bit is securely attached to the driver before use.
- Avoid using excessive force, as this may damage the bit or the screw.
- If you experience any discomfort or pain while using the product, stop use immediately and consult a professional.

Specific Safety Precautions for Use

- Use the appropriate size of the bit for the screws you are working with:
 - 3/16" for Remington 700, AICS, etc.
 - 5/32" for Ruger 10/22 VBlock, etc.
 - 1/8" for KIDD, etc.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses to protect your eyes from debris.
- Do not use the product in wet or damp conditions to prevent slipping and accidents.
- Be cautious of sharp edges or points that may cause injury during use.
- Avoid using the product in a manner that is not specified in the instructions.

Instructions for Installation and Usage

1. Select the appropriate bit size for your application.
2. Attach the bit securely to a standard 1/4" bit driver.
3. Position the bit over the screw you wish to tighten.
4. Apply firm and even pressure while turning the driver to tighten the screw.
5. If you encounter resistance, do not force the bit. Instead, check for proper alignment and fit.
6. Once the screw is tightened, remove the bit from the driver and store it in a safe place.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of electrical components in regular household waste.
- Consider recycling the product where facilities exist.
