

# VANGUARD 2 HOLSTERS ADVANCED KIT - RAVEN CONCEALMENT SYSTEMS VANGUARD 2 ADVANCED M&P FULL SIZE/COMPACT BLACK

[Home](#)

The VanGuard 2 Advanced Kit is a capability upgrade to the venerable VanGuard 2 minimalist IWB holster. Unlike traditional IWB holsters, the VG2 covers only the trigger guard of your weapon. This unique design eliminates the bulk of a traditional holster, while providing a level of safety and security not attainable by simply sticking a pistol in the waistband of your pants. The VG2 Advanced Kit's inclusion of the RCS CLAW takes this system's concealability to the next level, by leveraging the grip of the pistol close to the body, while still allowing for a clean, repeatable draw. The VanGuard 2 Advanced Kit with the RCS CLAW can be equipped with either a Tuckable strut with overhook or Tuckable strut with soft loop, to allow you to choose the best belt interface system for your carry and mission type. This combination is adjustable for ride-height and cant, is fully ambidextrous, and is the ultimate in deep concealment technology when combined with our proprietary tuckable struts. Please note that the VG2 Advanced kit is not compatible with the Basic Kit Strut or the Lanyard option. VG2 CLAWS are only compatible with the model of VG2 shell specified. For example, a Glock VG2 CLAW will NOT fit a M&P VG2 holster shell. Please be aware, RCS does not advise attempting to re-holster the weapon while the VG2 is inside your clothing. You should remove the VG2 and install it on the weapon outside of your waistband.

## Attributes

- Name: [RAVEN CONCEALMENT SYSTEMS VANGUARD 2 ADVANCED M&P FULL SIZE/COMPACT BLACK](#)

# VANGUARD 2 ADVANCED KIT SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the VANGUARD 2 Advanced Kit from RAVEN CONCEALMENT SYSTEMS. This guide provides essential safety instructions to ensure the safe and effective use of your holster system. Please read this manual carefully before use.

## General Safety Guidelines

- Ensure the product is used in accordance with all safety guidelines to prevent accidents and injuries.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep the holster and firearm away from children and unauthorized users.
- Regularly inspect the holster for wear or damage before each use.
- If you notice any defects, do not use the holster and contact a qualified professional for assistance.

## Specific Safety Precautions for Use

- Do not attempt to reholster your weapon while the VG2 is inside your clothing.
- Always remove the VG2 from your clothing before installing it on your weapon.
- Ensure the trigger guard is fully covered by the VG2 before carrying your firearm.
- When using the RCS CLAW, ensure it is properly adjusted to maintain optimal concealment and comfort.
- Do not use the VG2 Advanced Kit with incompatible models; ensure compatibility with your firearm model.
- Avoid using the VG2 in situations where it may be exposed to extreme temperatures or harsh environments.

## Instructions for Installation and Usage

### 1. Installation of the VG2 Advanced Kit:

- Select the appropriate Tuckable strut (overhook or soft loop) based on your preference.
- Attach the strut securely to the VG2 shell, ensuring all components are tightly fastened.
- Adjust the rideheight and cant to your desired comfort level.
- Ensure the VG2 shell is compatible with your firearm model (e.g., M&P Full Size/Compact).

### 2. Using the VG2 Advanced Kit:

- Place the VG2 holster inside your waistband, ensuring it is positioned comfortably against your body.
- Insert your firearm into the VG2, ensuring the trigger guard is completely covered.
- Adjust the RCS CLAW as needed to bring the grip of the firearm closer to your body for better concealment.
- Practice drawing your firearm from the holster in a safe environment to ensure you are familiar with the operation.

### 3. Maintaining Your VG2 Advanced Kit:

- Regularly clean the holster with a damp cloth to remove dirt and debris.
- Inspect all components for signs of wear or damage and replace as necessary.
- Store your VG2 in a cool, dry place when not in use.

## **Disposal Instructions**

- Dispose of the VG2 Advanced Kit in accordance with local regulations.
- Do not dispose of the holster in regular household waste if it is damaged or defective.
- Contact local waste management services for instructions on disposing of polymer materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the VANGUARD 2 Advanced Kit, please consult the manufacturer's website or contact their customer service for assistance.

## **Conclusion**

By following these safety instructions, you can ensure the proper use and maintenance of your VANGUARD 2 Advanced Kit. Always prioritize safety when handling firearms and holsters. Thank you for your attention to these important guidelines.
