

# GAS DEFEATING CHARGING HANDLE - SILENCERCO GAS DEFEATING CHARGING HANDLE

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

The SiCo GDCH utilizes a unique design feature which incorporates the use of a commonly found "O" ring seal to prevent gases from escaping from the most prominent point of egress typical of both Mil-Spec and Aftermarket Charging Handles currently available on the market. The GDCH significantly impedes the the emission of uncomfortable gases when utilized on both 5.56 NATO and .300BLK chambered AR-15 platforms. Compatible with mil-spec forward assist and dust cover (not included) Designed for use with standard Mil-Spec lower receiver M4 feed ramps

# Safety Instruction Guide for the Gas Defeating Charging Handle (GDCH)

## Introduction

Thank you for choosing the SilencerCo Gas Defeating Charging Handle (GDCH). This product is designed to enhance your shooting experience by reducing the emission of gases from your firearm. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Ensure that the GDCH is installed correctly before use.
- Always handle firearms with care and in accordance with applicable laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the GDCH for wear and damage, and replace it if necessary.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Only use the GDCH with compatible firearms (5.56 NATO and .300BLK chambered AR15 platforms).
- Ensure that the charging handle is fully engaged before firing.
- Avoid placing your face or other body parts in the path of gas emissions when firing.
- Do not modify the GDCH or use it in any manner not specified in the instructions.
- Always wear appropriate eye and ear protection when using firearms.

## Instructions for Installation and Usage

### Installation

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the existing charging handle from the firearm.
3. Align the GDCH with the receiver and insert it into the appropriate slot.
4. Ensure the GDCH is securely in place and operates smoothly.

### Usage

- To charge the firearm, pull the GDCH back and release it to chamber a round.
- After firing, ensure that the GDCH is functioning correctly and that there are no obstructions.
- If you experience any malfunctions, cease use immediately and inspect the firearm and GDCH for issues.

## Disposal Instructions

- Dispose of the GDCH in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the GDCH is damaged or no longer usable, contact your local waste management authority for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the GDCH, please contact the manufacturer or your point of purchase for assistance. Ensure you have the product details available for a more efficient response.

Thank you for taking the time to read this safety instruction guide. Your safety and the safety of others is our

priority. Enjoy your shooting experience with the SilencerCo Gas Defeating Charging Handle.
