

AR-15 STANDARD TRIGGERGUARD - FORWARD CONTROLS DESIGN

AR-15 STANDARD TRIGGERGUARD BLACK

[Rifle Parts](#) > [Triggers Parts](#) > [Trigger Guards](#)

TGF, BLK (Trigger Guard, Forward Controls) is machined from 7075 aluminum and hard coat Type III hard coat anodized, it does not have a spring loaded detent for the front, but use a set screw like Magpul's, and a standard trigger guard roll pin in the rear. We retained the use of roll pin for TGF's rear, as it's reliable and robust, it also will not loosen. The front set screw is flush with the receiver and doesn't protrude. Both straight and winter version feature a canted front edge to make rocking the magazine into the mag well easier. TGF is designed for use with TDP spec forged lower receivers, and fills the gap forward of the pistol grip, between the trigger guard "ears" (note that TGF will not swing down like TDP spec trigger guards). All the sharp edges and corners have been removed. TGF is proudly designed and made in the USA. A trigger guard roll pin and set screw (for the front) are included. A 1/16 Allen wrench is required (not included)." 7075 billet trigger guard for AR-15/M16 Straight Hard coat Type III anodized Black, FDE, or OD Green Includes Set screw and roll pin

Attributes

- Name: [FORWARD CONTROLS DESIGN AR-15 STANDARD TRIGGERGUARD BLACK](#)
- Manufacturer: [FORWARD CONTROLS DESIGN](#)
- Product no.: 100044414
- Mfr. No.: TGF, BLK
- Finish: Black
- Weapon type: AR-15
- Delivery weight: 0.272kg
- Shipping height: 25mm
- Shipping width: 83mm
- Shipping length: 140mm
- UPC: 683828757464

Item details

Made in USA

US export classification: 0A501.x

Safety Instruction Guide for AR15 Standard Triggerguard

Introduction

Thank you for choosing the AR15 Standard Triggerguard by Forward Controls Design. This guide provides essential safety instructions to ensure the proper use, installation, and maintenance of your product. Please read this document carefully to understand how to use the trigger guard safely and effectively.

General Safety Guidelines

- **Product Safety:** This product is designed to ensure safe use in conjunction with AR15 firearms. Follow all safety guidelines to minimize risks.
- **Enhanced Recalls:** Stay informed about any recalls that may affect your product. Check regularly for updates.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety standards similar to those in physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach to prevent accidents.
- **EU Contact Point:** For safety inquiries, please refer to the designated EU contact point provided by the retailer.
- **Rapid Alerts:** Be aware of the EU Safety Gate system for rapid updates on unsafe products.

Specific Safety Precautions for Use

- **Installation:** Ensure proper installation according to the provided instructions to avoid malfunctions.
- **Use with Compatible Firearms:** This trigger guard is specifically designed for use with TDP spec forged lower receivers. Do not use with incompatible models.
- **Avoid Modifications:** Do not modify the trigger guard or its components. Modifications can compromise safety and functionality.
- **Regular Inspections:** Periodically check the trigger guard for any signs of wear or damage. Replace if necessary.
- **Keep Clean:** Maintain cleanliness to ensure proper function. Avoid using harsh chemicals that may damage the finish.

Instructions for Installation and Usage

1. Tools Required:

- 1/16 Allen wrench (not included)
- Standard trigger guard roll pin (included)

2. Installation Steps:

- Ensure the firearm is unloaded and safe to work on.
- Remove any existing trigger guard from the lower receiver.
- Position the new trigger guard in place, ensuring it fits snugly against the lower receiver.
- Insert the roll pin into the rear of the trigger guard to secure it in place.
- Use the set screw at the front to tighten the trigger guard against the receiver. Ensure it is flush and does not protrude.
- Doublecheck that the installation is secure before using the firearm.

3. Usage:

- Once installed, the trigger guard allows for safe operation of the firearm.
- Ensure that all users are familiar with the operation of the trigger guard to prevent accidental discharge.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding aluminum waste.
- Ensure that all components are disposed of safely to prevent environmental harm.

Contact Information for Further Support

For any questions or concerns regarding the AR15 Standard Triggerguard, please contact your retailer or the designated EU contact point. Make sure to have your purchase information available for reference.

By following these guidelines, you can ensure the safe and effective use of your AR15 Standard Triggerguard. Thank you for prioritizing safety!
