

AR-15 STANDARD TRIGGERGUARD - FORWARD CONTROLS DESIGN

AR-15 STANDARD TRIGGERGUARD OD GREEN

[Rifle Parts](#) > [Triggers Parts](#) > [Trigger Guards](#)

TGF, BLK (Trigger Guard, Forward Controls) is machined from 7075 aluminum and hard coat Type III hard coat anodized, it does not have a spring loaded detent for the front, but use a set screw like Magpul's, and a standard trigger guard roll pin in the rear. We retained the use of roll pin for TGF's rear, as it's reliable and robust, it also will not loosen. The front set screw is flush with the receiver and doesn't protrude. Both straight and winter version feature a canted front edge to make rocking the magazine into the mag well easier. TGF is designed for use with TDP spec forged lower receivers, and fills the gap forward of the pistol grip, between the trigger guard "ears" (note that TGF will not swing down like TDP spec trigger guards). All the sharp edges and corners have been removed. TGF is proudly designed and made in the USA. A trigger guard roll pin and set screw (for the front) are included. A 1/16 Allen wrench is required (not included)." 7075 billet trigger guard for AR-15/M16 Straight Hard coat Type III anodized Black, FDE, or OD Green Includes Set screw and roll pin

Attributes

- Name: [FORWARD CONTROLS DESIGN AR-15 STANDARD TRIGGERGUARD OD GREEN](#)
- Manufacturer: [FORWARD CONTROLS DESIGN](#)
- Product no.: 100044416
- Mfr. No.: TGF, OD GREEN
- Finish: O.D. Green
- Weapon type: AR-15
- Delivery weight: 0.023kg
- Shipping height: 25mm
- Shipping width: 83mm
- Shipping length: 140mm
- UPC: 683828757488

Item details

Made in USA

Safety Instruction Guide for AR15 Standard Triggerguard

Introduction

Thank you for choosing the AR15 Standard Triggerguard from Forward Controls Design. This product is designed for reliable performance and safety. Please read this safety instruction guide carefully to ensure proper use and installation, and to understand the safety measures associated with this product.

General Safety Guidelines

- Ensure that all safety precautions are followed when using this product.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Keep this product and all firearms out of reach of children and unauthorized users.
- Regularly inspect the trigger guard and related components for signs of wear or damage.
- Do not modify the trigger guard or any firearm components without consulting a qualified professional.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation can lead to malfunction or injury.
- Failure to secure the set screw properly may cause the trigger guard to loosen.
- Sharp edges or corners may cause injury if not handled correctly.

- **Avoiding Hazards:**

- Always ensure the firearm is unloaded before installation or maintenance.
- Use the included set screw and roll pin as instructed to secure the trigger guard.
- Do not attempt to install or remove the trigger guard while the firearm is loaded.
- Handle the trigger guard with care to avoid cuts or scratches.

- **AgeSpecific Warnings:**

- This product is intended for adult use only. Keep out of reach of children.

Instructions for Installation and Usage

1. Preparation:

- Ensure your AR15/M16 is unloaded and in a safe condition.
- Gather necessary tools: a 1/16 Allen wrench (not included) for the set screw.

2. Installation:

- Align the trigger guard with the lower receiver of your firearm.
- Insert the roll pin into the rear of the trigger guard.
- Secure the front of the trigger guard using the set screw. Ensure it is flush with the receiver and does not protrude.
- Confirm that the trigger guard is securely in place and does not move.

3. Usage:

- Once installed, ensure the trigger guard is functioning correctly by checking for any movement.
- When loading or unloading the firearm, be aware of the trigger guard's position and ensure it is clear of any obstructions.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding aluminum waste.
- If the trigger guard is damaged beyond repair, ensure that it is disposed of safely to avoid injury.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's contact details provided with your product packaging. Always ensure you follow the latest safety guidelines and regulations.

Thank you for your attention to safety and for choosing Forward Controls Design. Enjoy your new AR15 Standard Triggerguard!
