

# TOURNIQUET NOW! STRAP TOURNIQUET HOLDER - BLUE FORCE GEAR TOURNIQUET NOW HOLDER, WOLF GRAY

[Emergency & Survival Gear](#) > [First Aid](#) > [First Aid Kits](#)

TOURNIQUET NOW! STRAP TOURNIQUET HOLDER One of the most effective and simplest life saving devices - every warrior no matter what field of operation should have at least one tourniquet readily available. The Tourniquet NOW!™ Strap provides a low profile, secure, and quickly accessible tourniquet holder that can be mounted on any MOLLE platform where 3 vertical MOLLE loops are available. The elastic loops can fit a variety of NATO style tourniquets such as the SOF-T, C-A-T, and other similar sized tourniquets. The elastic loops of the TNS can fit smaller sized tourniquets or other items such as flex cuffs. The Tourniquet NOW!™ can be installed on top of the Trauma Kit NOW!™ or on either side of the Admin Pouch.

# TOURNIQUET NOW! STRAP TOURNIQUET HOLDER

## SAFETY INSTRUCTIONS

### Introduction

Thank you for choosing the TOURNIQUET NOW! Strap Tourniquet Holder by Blue Force Gear. This product is designed to provide a secure and accessible way to carry your tourniquet, ensuring you are prepared for emergencies. This safety instruction guide will help you understand the proper use, installation, and disposal of this product, in compliance with the EU General Product Safety Regulation (GPSR).

### General Safety Guidelines

- Ensure that the tourniquet holder is used only as intended.
- Always check the condition of the tourniquet and holder before use.
- Store the tourniquet holder in an easily accessible location.
- Keep the tourniquet holder away from extreme temperatures and moisture.
- Regularly inspect the holder for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.

### Specific Safety Precautions for Use

- The Tourniquet NOW! Strap is designed for use by adults and should not be used by children without adult supervision.
- Ensure that the tourniquet is properly secured in the holder before use.
- Do not overload the holder with additional items that may compromise its integrity.
- If using the tourniquet in an emergency, follow standard first aid procedures to ensure effectiveness.
- Avoid using the holder if it shows signs of damage or wear.

### Instructions for Installation and Usage

#### Installation

##### 1. Identify the MOLLE Platform:

- Locate a MOLLE platform with at least three vertical MOLLE loops available.

##### 2. Attach the Tourniquet Holder:

- Thread the straps of the Tourniquet NOW! holder through the vertical loops of the MOLLE platform.
- Ensure the holder is securely fastened and does not move when pulled.

##### 3. Adjust for Fit:

- Adjust the elastic loops to ensure a snug fit for the tourniquet you are using.
- Confirm that the tourniquet is easily accessible when needed.

#### Usage

##### 1. Storing the Tourniquet:

- Place the tourniquet into the elastic loops of the holder.
- Ensure that it is positioned for quick access in an emergency.

## **2. Removing the Tourniquet:**

- In an emergency, pull the tourniquet out of the holder swiftly.
- Follow standard first aid protocols for applying the tourniquet.

## **3. Regular Checks:**

- Periodically check the holder and tourniquet to ensure they are in good condition and ready for use.

## **Disposal Instructions**

- Dispose of the Tourniquet NOW! holder responsibly in accordance with local regulations.
- If the product is damaged or no longer needed, consider recycling materials where possible.
- Do not dispose of the holder in regular household waste if it is made from nonbiodegradable materials.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the TOURNIQUET NOW! Strap Tourniquet Holder, please refer to the contact information provided with your product or visit the manufacturer's website for additional resources.

By following these safety instructions, you can ensure the effective and safe use of the TOURNIQUET NOW! Strap Tourniquet Holder. Stay prepared and safe.
