# QUICK RELEASE BINO TRIPOD ADAPTOR Safety Instruction Guide

## Introduction

Thank you for choosing the QUICK RELEASE BINO TRIPOD ADAPTOR by BUSHNELL. This product is designed to provide a secure and stable platform for viewing through binoculars while mounted on a tripod. It is important to follow safety guidelines to ensure proper use and to prevent accidents.

## General Safety Guidelines

- Always ensure that the binoculars are securely attached to the tripod adapter before use.
- Regularly inspect the adapter and binoculars for any signs of damage or wear.
- Keep the product out of reach of children to prevent accidental injury.
- Do not use the product in extreme weather conditions, such as heavy rain or strong winds, which may affect stability.
- Ensure that the tripod is set up on a stable and level surface to prevent tipping.

## Specific Safety Precautions for Use

- Do not exceed the weight limit specified for the tripod being used.
- When adjusting the cant/tilt, do so slowly to avoid sudden movements that could lead to dropping the binoculars.
- Always tighten the locking knob securely after adjusting the position of the binoculars.
- Avoid using the adapter while moving; it is designed for stationary use only.
- If the adapter or binoculars become loose during use, stop immediately and check all connections before continuing.

## Instructions for Installation and Usage

### 1. Attach the Adapter to the Tripod:

- Locate the 1/4"20 thread on the base of the adapter.
- Align the adapter with the tripod's mounting point.
- Screw the adapter securely onto the tripod until it is firmly attached.

### 2. Attach the Binoculars to the Adapter:

- Locate the 1/4"20 thread on the binoculars.
- Insert the stainless steel stem of the adapter into the mounting point on the binoculars.
- Tighten the stem securely to ensure a solid connection.

### 3. Adjusting the Viewing Angle:

- Use the locking knob to adjust the cant/tilt of the binoculars.
- After adjusting, tighten the locking knob to secure the position.

### 4. Removing the Binoculars from the Tripod:

- To release the binoculars, loosen the locking knob.
- Unscrew the stainless steel stem from the binoculars.
- Carefully lift the binoculars away from the adapter.

## **Disposal Instructions**

- Dispose of the QUICK RELEASE BINO TRIPOD ADAPTOR in accordance with local regulations regarding electronic waste and aluminum products.
- If the product is damaged beyond repair, please recycle the materials where possible.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the QUICK RELEASE BINO TRIPOD ADAPTOR, please refer to the manufacturer's website or contact the designated EU contact point for support.

Thank you for taking the time to read this safety instruction guide. Your safety and satisfaction are our top priorities. Enjoy your viewing experience with the QUICK RELEASE BINO TRIPOD ADAPTOR!
