# Safety Instruction Guide for Bushnell PowerView Binoculars 10X42mm

## Introduction

Thank you for choosing the Bushnell PowerView Binoculars 10X42mm. This product is designed to enhance your viewing experience, whether you are bird watching, attending sporting events, or enjoying concerts. To ensure safe and effective use of your binoculars, please read this safety instruction guide carefully.

## General Safety Guidelines

- **Product Safety:** Always ensure that your binoculars are used according to the instructions provided. This product complies with the EU General Product Safety Regulation (GPSR) to ensure safe usage.
- **Enhanced Recalls:** Stay informed about any product recalls. You can check for updates on the EU's Safety Gate platform.
- **Online Shopping:** If you purchased your binoculars online, ensure that the seller complies with the same safety standards as physical stores.
- **Special Consumer Focus:** Keep binoculars out of reach of children. They are not toys and should be used under adult supervision.
- **EU Contact Point:** For safety inquiries, refer to the product packaging or the manufacturer's website.
- **Rapid Alerts:** Be aware that unsafe products may be reported quickly through the Safety Gate system.

## Specific Safety Precautions for Use

- **Avoid Viewing Bright Lights:** Do not look directly at the sun or other bright lights through the binoculars, as this can cause serious eye damage.
- **Keep Away from Water:** Although the binoculars are built with a durable rubber housing, avoid exposing them to excessive moisture or water.
- **Handle with Care:** Use both hands when handling the binoculars to prevent dropping and damaging them.
- **Do Not Disassemble:** Do not attempt to disassemble or repair the binoculars yourself. Any repairs should be done by a qualified technician.
- **Store Properly:** When not in use, store the binoculars in a protective case to prevent scratches and damage.

## Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the binoculars from the packaging. Check for any visible damage or missing parts.
2. **Adjusting the Eyecups:** If you wear glasses, twist the eyecups down. If you do not wear glasses, twist them up for the best viewing experience.
3. **Focusing:**
  - Use the center focus wheel to adjust the clarity of the image.
  - Adjust the right eyepiece for your eyesight using the diopter adjustment ring.
4. **Using the Binoculars:**
  - Hold the binoculars with both hands.
  - Bring the binoculars to your eyes and look through the eyepieces.
  - Adjust the focus until the image is clear.
5. **Cleaning:** Use a soft, lintfree cloth to clean the lenses. Avoid using harsh chemicals or abrasive materials.

## Disposal Instructions

- **Dispose of Responsibly:** When the binoculars reach the end of their life, dispose of them in accordance with local waste disposal regulations.
- **Electronics Recycling:** If applicable, take the binoculars to a designated electronics recycling facility to ensure environmentally friendly disposal.

## Contact Information for Further Support

For any questions or concerns regarding the product, please refer to the manufacturer's website or contact the retailer where you purchased the binoculars.

Thank you for your attention to these safety instructions. Enjoy your Bushnell PowerView Binoculars 10X42mm!
