# Safety Instruction Guide for Butler Creek Element Scope Cap Objective Covers

## Introduction

Thank you for choosing the Butler Creek Element Scope Cap Objective Covers. These caps are designed to protect your scope while providing easy access to essential information for wind and elevation adjustments. This guide provides important safety instructions to ensure safe and effective use of the product. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure the product is suitable for your specific scope size (50mm or 55mm).
- Always inspect the caps for any damage or wear before use.
- Keep the caps out of reach of children to prevent accidental use or injury.
- Avoid using the caps in extreme weather conditions that may compromise their functionality.
- Follow all local laws and regulations regarding the use of firearm accessories.

## Specific Safety Precautions for Use

- Do not force the caps onto the scope; this may cause damage to both the cap and the scope.
- Ensure the caps are securely fastened before transporting the scope to prevent loss or damage.
- Avoid exposing the caps to sharp objects that may puncture or tear the material.
- If the caps become damaged, discontinue use and replace them immediately.
- Be aware of your surroundings when using the scope with caps attached to avoid accidents.

## Instructions for Installation and Usage

### 1. Installation:

- Select the appropriate cap size (50mm or 55mm) based on your scope.
- Align the cap with the objective lens of the scope.
- Gently push the cap onto the lens until it fits snugly.
- Ensure the multiflex sleeve is properly adjusted to secure the cap in place.

### 2. Usage:

- To access the dope disk, gently flip open the cap.
- Use the provided information on wind and elevation to make necessary adjustments.
- After use, close the cap securely to protect the lens from dust and debris.

### 3. Removal:

- To remove the cap, grasp the edges and pull gently away from the scope.
- Avoid using excessive force to prevent damage.

## Disposal Instructions

- Dispose of the product in accordance with local waste management regulations.
- If the caps are damaged or no longer usable, consider recycling the materials if possible.
- Do not dispose of the product in household waste unless permitted by local regulations.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product issues, please contact your local retailer or the manufacturer directly. Ensure you have the product details ready for a more efficient response.

Thank you for following these safety instructions. Your attention to safety ensures a better experience with your Butler Creek Element Scope Cap Objective Covers.
