

8-POINT 4X32MM SFP RIFLE SCOPE - SIMMONS 4X32MM SFP TRUPLEX RETICLE BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

As easy on the wallet as it is on the eye, the 8-Point riflescope offers more high-quality features than any other in its class. All models come with fully coated optics for a brighter, higher-contrast image, and 1/4-MOA SureGrip™ audible-click windage and elevation adjustments for effortless adjustment. Select Simmons® models include many premium features – like our TrueZero™ windage and elevation adjustment system that stays locked tight to zero, through even the most strenuous conditions, and the QTA™ eyepiece for easy target acquisition. Waterproof, fogproof and recoilproof, the 8-Point delivers outstanding precision in a basic riflescope. A value that makes it as easy to mount on your rifle, as the mounts you'll be hanging on your wall. TrueZero fingertip windage and elevation adjustment system QTA™ (Quick Target Acquisition) eyepiece for fast, easy target acquisition Fully coated, high-quality optics for bright, high-contrast target image Waterproof, fogproof and recoilproof

Safety Instruction Guide for 8Point 4x32mm SFP Rifle Scope

Introduction

Thank you for choosing the 8Point 4x32mm SFP Rifle Scope. This guide provides essential safety instructions to ensure the safe and effective use of your riflescope. Please read this document carefully before using the product.

General Safety Guidelines

- Always ensure the riflescope is securely mounted on your firearm before use.
- Do not point the riflescope at anything you do not intend to shoot.
- Keep the riflescope out of reach of children and unauthorized users.
- Regularly inspect the riflescope for any signs of damage or wear.
- Follow all local laws and regulations regarding the use of firearms and scopes.
- If you experience any issues with the product, cease use immediately and consult a qualified professional.

Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection when using firearms equipped with a scope.
- **Handling:** Handle the riflescope with care to avoid dropping or damaging it.
- **Adjustment:** Make adjustments to the windage and elevation settings while the firearm is pointed in a safe direction.
- **Weather Conditions:** Avoid using the riflescope in extreme weather conditions that may impair visibility or functionality.
- **Storage:** Store the riflescope in a cool, dry place when not in use to prevent moisture and dust accumulation.

Instructions for Installation and Usage

1. Mounting the Riflescope:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Use appropriate mounting rings and bases compatible with the 1inch tube size of the riflescope.
- Securely attach the riflescope to the firearm, ensuring it is level and aligned with the barrel.

2. Adjusting the Scope:

- Use the SureGrip™ audibleclick windage and elevation adjustments for precise aiming.
- Make adjustments in 1/4 MOA increments, turning the knobs clockwise to increase elevation or windage and counterclockwise to decrease.

3. Using the QTA™ Eyepiece:

- Look through the QTA™ eyepiece and adjust your position until the target is in focus.
- Ensure proper eye relief (3.75 inches) to avoid injury from recoil.

4. Cleaning and Maintenance:

- Use a soft, lintfree cloth to clean the lenses.
- Avoid using harsh chemicals or solvents that may damage the optical coatings.

- Regularly check for moisture inside the scope and ensure it remains fogproof and waterproof.

Disposal Instructions

- Dispose of the riflescope according to local regulations regarding electronic waste and nonfood products.
- Remove batteries and recycle them at designated recycling centers if applicable.
- Do not dispose of the riflescope in regular household waste.

Contact Information for Further Support

For any safety inquiries or product support, please reach out to the manufacturer's customer service or consult the warranty information provided with the product.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your 8Point 4x32mm SFP Rifle Scope. Always prioritize safety and responsibility while handling firearms and their accessories. Thank you for your attention to these important guidelines.
