APEX 10/EVOLUTION PRESS CALIBER CONVERSION KIT MARK 7 RELOADING

Introduction

Thank you for purchasing the APEX 10/Evolution Press Caliber Conversion Kit by Mark 7 Reloading. This guide provides essential safety instructions and information to ensure the safe and effective use of your reloading kit. Please read this document thoroughly before using the product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the caliber conversion kit by following all instructions and guidelines provided.
- **Enhanced Recalls:** Stay informed about any potential recalls or safety notices related to your product.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, ensure you have access to the manufacturer's contact information.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when operating the reloading press.
- Ensure that the workspace is clean and free from obstructions to prevent accidents.
- Do not use the conversion kit with incompatible calibers or components.
- Regularly inspect the conversion kit for wear or damage before each use.
- Follow the manufacturer's instructions for the safe operation of the reloading press.
- Never leave the reloading press unattended while in use.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure the reloading press is powered off and unplugged before installation.
2. **Gather Components:** Unpack the conversion kit, which includes the shellplate, case feed ram, and case feed adapter.
3. **Remove Existing Components:** Carefully remove any existing components from the reloading press that will be replaced by the conversion kit.
4. **Install Shellplate:**
 - Align the shellplate with the press and secure it according to the manufacturer's instructions.
5. **Install Case Feed Ram:**
 - Attach the case feed ram to the designated area on the press, ensuring it is firmly secured.
6. **Install Case Feed Adapter:**
 - Connect the case feed adapter as per the provided instructions.
7. **Final Check:** Ensure all components are installed correctly and securely before operating the reloading press.

Usage

1. **Setup:**
 - Prepare your workspace and ensure all necessary components are ready for reloading.
2. **Caliber Selection:**
 - Confirm that you are using the correct caliber conversion kit for your reloading needs (e.g., 40 S&W, 10mm).

3. Loading Components:

- Follow the reloading press instructions to load cases, powder, and bullets safely.

4. Operation:

- Operate the press according to the manufacturer's guidelines, ensuring smooth operation and adherence to safety protocols.

5. Monitoring:

- Continuously monitor the reloading process for any irregularities or issues.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the product in household waste. Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the APEX 10/Evolution Press Caliber Conversion Kit, please refer to the manufacturer's contact details provided with your product packaging or visit their official website for support resources.

Thank you for choosing the APEX 10/Evolution Press Caliber Conversion Kit. By following these safety instructions, you can ensure a safe and enjoyable reloading experience.
