# APEX 10/EVOLUTION PRESS CALIBER CONVERSION KIT MARK 7 RELOADING SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the APEX 10/Evolution Press Caliber Conversion Kit by Mark 7 Reloading. This kit allows you to convert your Evo/Apex 10 Press for various calibers, enhancing versatility and maximizing your investment. This safety instruction guide is designed to help you use the product safely and effectively, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always read and understand the instructions before using the product.
- Keep the conversion kit out of reach of children and vulnerable individuals.
- Regularly inspect the kit for any signs of wear or damage before each use.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Handling:** Always handle the conversion kit with care. Avoid dropping or mishandling components.
- **Installation:** Ensure the press is turned off and unplugged during installation to prevent accidental activation.
- **Calibration:** Follow the specific calibration instructions for each caliber to avoid malfunctions.
- **Personal Protective Equipment:** Wear safety glasses and gloves when using the reloading press and conversion kit to protect against debris and sharp edges.
- **Environment:** Use the conversion kit in a well-ventilated area to minimize exposure to any potentially harmful materials.

## Instructions for Installation and Usage

1. **Unboxing:** Carefully remove the conversion kit from its packaging. Check that all components are included: Shellplate, Case Feed Ram, and Case Feed Adapter.
2. **Preparation:**
  - Ensure that your Evo/Apex 10 Press is clean and free from debris.
  - Gather necessary tools for installation (if applicable).
3. **Installation:**
  - Turn off and unplug the reloading press.
  - Install the Shellplate according to the provided diagram.
  - Attach the Case Feed Ram securely.
  - Connect the Case Feed Adapter, ensuring all components fit snugly.
4. **Calibration:**
  - Follow the specific calibration instructions for the caliber you are converting to (e.g., 38 Special or 357 Magnum).
  - Perform a test run with dummy rounds to ensure proper functioning.
5. **Usage:**
  - Load the appropriate caliber components into the press.
  - Follow standard operating procedures for reloading, ensuring safety at all times.
  - Monitor the process closely and stop immediately if any irregularities occur.

## **Disposal Instructions**

- Dispose of any unused components in accordance with local regulations.
- Do not dispose of the conversion kit in regular household waste.
- Contact your local waste management facility for proper disposal options for reloading materials and equipment.

## **Contact Information for Further Support**

For any questions or concerns regarding the APEX 10/Evolution Press Caliber Conversion Kit, please refer to the manufacturer's website or contact your local distributor for assistance. Ensure you have the product details ready for a more efficient response.

By following these safety instructions, you can ensure a safe and effective experience with your APEX 10/Evolution Press Caliber Conversion Kit. Always prioritize safety and compliance with local regulations when using reloading equipment. Thank you for your attention to these guidelines.
