

ROF-90 AIMPOINT MICRO MOUNT - REPTILIA CORP 30MM AIMPOINT MICRO MOUNT, BLACK

[Optics & Mounting](#) > [Electronic Sights](#) > [Mounting Hardware](#)

The ROF-90 is a drop-in upgrade for Geissele® Automatics Super Precision 30mm optic mount. The ROF-90 adds a mounting point at 90° (12:00) for an AIMPOINT® Micro (T1-T2-CompM5) to provide for quick transition to a non-magnified optic for close-range target engagement. Additionally, the Micro can be zeroed for use with subsonic cartridges such as 300 AAC Blackout, while allocating the magnified optic for use with supersonic ammunition. Each ROF model is designed to minimize each optic's distance from the host scope's centerline, while ensuring enough clearance that the sight picture isn't obscured. The 30mm ROF-90 for Micro is immediately available in MIL-STD Type III, Class 2, hard anodize, black and flat dark earth colors.

Compatible with: Aimpoint® - Micro R-1, H-1, H-2, T-1, T-2, CompM5 Sig Sauer® - ROMEO4 , ROMEO5 & ROMEO-MSR Vortex Optics® - Crossfire, Sparc I & II Primary Arms® - Classic Series Gen II, SLx Advanced Rotary Knob Microdot, & SLx Compact 1×20 Prism Scope - ACSS-Cyclops Holosun® Technologies - HS403(not HS403A), HE403, HS503, HE503, HS515, & HS530 Series

Attributes

ROF90 AIMPOINT MICRO MOUNT SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the ROF90 AIMPOINT MICRO MOUNT by REPTILIA CORP. This guide provides essential safety instructions to ensure the safe use and installation of your product. Please read this guide carefully to understand the necessary precautions and procedures.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the ROF90 mount by following all instructions and guidelines provided in this manual.
- **Enhanced Recalls:** Stay informed about any potential recalls. If you receive a recall notice, follow the instructions provided to ensure your safety.
- **Online Shopping:** If purchased online, ensure the seller complies with safety regulations and provides adequate product information.
- **Special Consumer Focus:** This product is not intended for children. Keep out of reach of minors to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety and potential hazards.

Specific Safety Precautions for Use

- Always inspect the ROF90 mount for any visible damage before installation.
- Ensure that the mount is compatible with your AIMPOINT Micro optic.
- Do not exceed the recommended weight limit for the mount.
- Avoid using the mount in extreme environmental conditions without proper precautions.
- Always wear appropriate eye protection when handling firearms or optics.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Prepare for Installation:

- Gather all necessary tools, including a torque wrench and appropriate screws.
- Ensure the workspace is clean and free of obstructions.

2. Installation Steps:

- Align the ROF90 mount with the designated mounting points on your optic.
- Secure the mount using the provided screws. Ensure they are tightened to the manufacturer's specifications using a torque wrench.
- Doublecheck that the mount is securely attached and does not move.

3. Usage Instructions:

- Before use, ensure that the AIMPOINT Micro optic is properly zeroed according to the manufacturer's instructions.
- Always check that the mount is secure before each use.
- After use, clean the mount and optic to maintain performance and longevity.

Disposal Instructions

- Dispose of the ROF90 mount in accordance with local regulations for electronic waste.
- Do not dispose of the mount in regular household waste.
- Consider recycling options available in your area.

Contact Information for Further Support

For any additional questions or concerns regarding the ROF90 AIMPOINT MICRO MOUNT, please refer to the contact information provided by your retailer or the manufacturer. Your safety and satisfaction are our top priorities.

By following these guidelines, you can ensure the safe and effective use of your ROF90 AIMPOINT MICRO MOUNT. Thank you for your attention to safety.
