

ROF-90 AIMPOINT MICRO MOUNT - REPTILIA CORP 30MM AIMPOINT MICRO MOUNT, FDE

[Optics & Mounting](#) > [Electronic Sights](#) > [Mounting Hardware](#)

The ROF-90 is a drop-in upgrade for Geissele® Automatics Super Precision 30mm optic mount. The ROF-90 adds a mounting point at 90° (12:00) for an AIMPOINT® Micro (T1-T2-CompM5) to provide for quick transition to a non-magnified optic for close-range target engagement. Additionally, the Micro can be zeroed for use with subsonic cartridges such as 300 AAC Blackout, while allocating the magnified optic for use with supersonic ammunition. Each ROF model is designed to minimize each optic's distance from the host scope's centerline, while ensuring enough clearance that the sight picture isn't obscured. The 30mm ROF-90 for Micro is immediately available in MIL-STD Type III, Class 2, hard anodize, black and flat dark earth colors.

Compatible with: Aimpoint® - Micro R-1, H-1, H-2, T-1, T-2, CompM5 Sig Sauer® - ROMEO4 , ROMEO5 & ROMEO-MSR Vortex Optics® - Crossfire, Sparc I & II Primary Arms® - Classic Series Gen II, SLx Advanced Rotary Knob Microdot, & SLx Compact 1×20 Prism Scope - ACSS-Cyclops Holosun® Technologies - HS403(not HS403A), HE403, HS503, HE503, HS515, & HS530 Series

Attributes

ROF90 AIMPOINT MICRO MOUNT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the ROF90 Aimpoint Micro Mount by Reptilia Corp. This product is designed to enhance your shooting experience by providing a secure and effective mounting solution for your Aimpoint Micro optics. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that all components of the ROF90 mount are intact and free from damage before installation and use.
- Always handle firearms and optics with care, following all applicable laws and regulations.
- Keep the mount and optics out of reach of children and unauthorized users.
- Regularly inspect the mount for wear and tear, and replace any damaged parts immediately.
- Follow the manufacturer's instructions for the proper use and maintenance of your optics.

Specific Safety Precautions for Use

- Do not exceed the weight limit specified for the mount; overload may cause failure.
- Ensure that the mount is securely fastened to the firearm before use.
- Avoid using the mount in extreme environmental conditions without proper precautions.
- Be aware of your surroundings and ensure a safe shooting environment at all times.
- Use proper eye and ear protection when using firearms equipped with the mount.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a torque wrench and appropriate screwdriver.
- Ensure the firearm is unloaded and in a safe condition before proceeding.

2. Installation:

- Align the ROF90 mount with the designated mounting points on your firearm.
- Secure the mount using the provided screws, ensuring they are tightened to the manufacturer's recommended torque specifications.
- Attach your Aimpoint Micro optic to the ROF90 mount following the optic manufacturer's guidelines.

3. Usage:

- Once installed, verify that the optic is properly zeroed for accurate target engagement.
- Regularly check the mount and optic for secure attachment before each use.

4. Maintenance:

- Clean the mount and optic as per the manufacturer's recommendations to ensure optimal performance.
- Store the mount in a dry, cool place when not in use to avoid corrosion or damage.

Disposal Instructions

- Dispose of the ROF90 mount in accordance with local regulations.
- If the product is damaged beyond repair, ensure that it is disposed of safely to prevent any potential hazards.

Contact Information for Further Support

For any questions or concerns regarding the ROF90 Aimpoint Micro Mount, please refer to the manufacturer's website or contact the customer support team. Always ensure you have the latest information regarding product safety and updates.

By following these safety instructions, you can ensure a safe and enjoyable experience with your ROF90 Aimpoint Micro Mount. Always prioritize safety and responsible usage. Thank you for your attention to these important guidelines.
