

# **S&W K/L FRAME TAC DIAMOND GRIPS - VZ GRIPS S&W K/L FRAME TAC DIAMOND, ROUND BUTT, BLACK**

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

The Tactical Diamonds are the response to those who like a more aggressive texture than the 320s can provide. Keep in mind these are very grippy due to the fact that the diamond pattern can be cut a lot sharper in the G10.

Available in round butt or square butt for the K/L-Frame T-15 Screw Included.

TEXTURE: Very Grippy USE: Carry, Tactical, Tournament Shooter MATERIAL: G10

# Safety Instruction Guide for S&W K/L FRAME TAC DIAMOND GRIPS

## Introduction

Thank you for choosing the S&W K/L FRAME TAC DIAMOND GRIPS by VZ GRIPS. These grips are designed to enhance your shooting experience with their aggressive texture and superior grip. This safety instruction guide provides essential information on the safe use, installation, and maintenance of your grips, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that you read and understand all instructions before using the product.
- Always inspect the grips for any damage or defects before installation.
- Keep the grips out of reach of children and vulnerable individuals.
- Use the grips only for their intended purpose as specified in this guide.
- If you experience any issues or feel unsafe while using the grips, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- **Grip Texture:** The aggressive diamond texture provides enhanced grip. However, it may cause discomfort during prolonged use. Take breaks as needed.
- **Installation:** Follow the installation instructions carefully to avoid improper fitting, which can lead to accidents.
- **Handling:** Always handle your firearm responsibly and ensure it is unloaded when installing or adjusting grips.
- **Environment:** Use the grips in a safe and controlled environment. Avoid using them in wet or slippery conditions that may affect your grip.
- **Inspection:** Regularly check the grips for wear and tear. Replace them if they show signs of significant damage.

## Instructions for Installation and Usage

### Installation Instructions

1. **Gather Tools:** You will need a T15 screwdriver (included) for installation.
2. **Remove Old Grips:** If applicable, carefully remove the existing grips from your firearm.
3. **Position New Grips:** Align the new S&W K/L FRAME TAC DIAMOND GRIPS with the frame of your firearm.
4. **Secure Grips:** Using the T15 screwdriver, tighten the screws to secure the grips in place. Ensure they are snug but do not overtighten, as this may damage the grips or the firearm.
5. **Final Check:** Inspect the installation to ensure the grips are properly attached and do not interfere with the operation of the firearm.

### Usage Instructions

- **Grip Maintenance:** Clean the grips regularly with a damp cloth to remove dirt and debris. Avoid using harsh chemicals that may damage the G10 material.
- **Storage:** Store your firearm in a safe and secure location. Ensure that the grips are dry and clean before storage.
- **Safety Checks:** Always perform a safety check on your firearm before and after use to ensure it is functioning correctly.

## **Disposal Instructions**

- Dispose of damaged or worn grips in accordance with local regulations.
- Do not dispose of grips in regular household waste if they contain hazardous materials. Check with local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of your S&W K/L FRAME TAC DIAMOND GRIPS, please refer to the manufacturer's contact information provided with your product packaging.

This guide is designed to ensure your safety and the proper use of your S&W K/L FRAME TAC DIAMOND GRIPS. Please keep this document for future reference. Thank you for your attention to these important safety guidelines.
