# Safety Instruction Guide for BLACKHAWK Double Mag Case for Single Stack Mags

## Introduction

Thank you for choosing the BLACKHAWK Double Mag Case for Single Stack Mags. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide thoroughly before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose of storing and carrying single stack magazines.
- Always check the product for any signs of damage or wear before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Be aware of your surroundings when using the product, especially in crowded or public areas.
- Report any unsafe conditions or accidents involving the product to the relevant authorities.

## Specific Safety Precautions for Use

- Do not overload the mag case beyond its designed capacity, which is two single stack magazines.
- Ensure that the magazines are securely held in place by the builtin tension spring before moving.
- Use the adjustable beltclip hook only with compatible belt widths to avoid detachment.
- Avoid sharp objects or excessive force that may compromise the integrity of the product.
- Regularly inspect the tension spring and belt clip for any signs of wear or malfunction.

## Instructions for Installation and Usage

### 1. Installation of the Belt Clip:

- Identify the appropriate belt width for the adjustable beltclip hook.
- Attach the belt clip to your belt by sliding it through the belt loop until it is secure.

### 2. Loading the Magazines:

- Open the mag case by gently pulling apart the tension spring.
- Insert one magazine into each side of the case, ensuring they are positioned securely.
- Release the tension spring to hold the magazines in place.

### 3. Wearing the Mag Case:

- Position the mag case along your waistline for a comfortable fit.
- Adjust the position of the case as necessary to ensure it is secure and does not impede movement.

### 4. Removing the Magazines:

- To remove a magazine, gently pull the tension spring apart while grasping the magazine.
- Store the magazines safely when not in use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for plastic and polymer materials.
- If the product is damaged and no longer usable, ensure it is disposed of in a way that prevents accidental

use by children or others.
