

# STACHE IWB LOWER BACK HOLSTER BASE KIT - BLACKHAWK

## STACHE IWB LB HOLSTER GLOCK 19 W/STREAMLIGHT TLR 7/8 BLACK

[Home](#)

Introducing the most technologically advanced, modular concealed carry holster system that was designed never to be seen, the Stache™ IWB. Designed by concealed carriers for concealed carriers, the Stache™ IWB holster system is the ultimate solution for everyday carry, out-performing the design and material limitations of Kydex®. Through meticulous engineering, the Stache™ holster delivers the optimal combination of comfort, rigidity and modularity; a feat not possible with Kydex®. It is designed to be worn inside-the-waistband, is constructed of impact reinforced, injection molded polymer and is compatible with a variety of Stache™ IWB holster accessories (accessories list below). Available in Base and Premium configurations.

# Safety Instruction Guide for STACHE IWB Lower Back Holster Base Kit

## Introduction

Thank you for choosing the STACHE IWB Lower Back Holster Base Kit. This guide provides essential safety instructions and usage information to ensure the safe and effective use of your holster. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure safe use by following all instructions and warnings provided in this guide.
- Always check the holster for any signs of damage before use.
- Keep the holster out of reach of children and vulnerable individuals.
- Be aware of your surroundings when carrying a concealed weapon.
- Always treat your firearm as if it is loaded, even if you believe it is not.

## Specific Safety Precautions for Use

- **Compatibility:** Ensure that your firearm is compatible with the STACHE IWB holster system. This holster is designed for Glock models 19, 23, 32, and 45.
- **Wearing Position:** The holster is designed to be worn inside the waistband. Ensure it is securely positioned to avoid shifting during movement.
- **Adjustments:** Make necessary adjustments to ensure a comfortable fit. Do not compromise the holster's retention capabilities.
- **Accessibility:** Ensure that the firearm is easily accessible in case of emergencies, while still being concealed from view.
- **Training:** If you are unfamiliar with using a concealed carry holster, consider seeking training from a qualified instructor.

## Instructions for Installation and Usage

### 1. Inspect the Holster:

- Before installation, inspect the holster for any defects or damage.
- Ensure all components are intact and functioning properly.

### 2. Attach Holster to Belt:

- Thread your belt through the holster clips.
- Position the holster on your lower back, ensuring it is comfortably secured against your body.

### 3. Insert Firearm:

- Ensure the firearm is unloaded.
- Carefully insert the firearm into the holster, ensuring it fits snugly and securely.

### 4. Adjust Fit:

- Adjust the holster's position on your body for comfort and accessibility.
- Make sure the firearm is retained securely within the holster.

### 5. Practice Drawing:

- Practice drawing your firearm from the holster in a safe environment.
- Ensure you can draw the firearm smoothly and efficiently.

## **Disposal Instructions**

- When disposing of the holster, ensure it is done in a manner that does not pose a risk to others.
- If the holster is damaged or no longer usable, consider recycling the materials where possible.
- Follow local regulations regarding the disposal of plastic and polymer materials.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or concerns about the STACHE IWB Lower Back Holster, please reach out to the manufacturer's customer support through their official website or customer service channels.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your STACHE IWB Lower Back Holster Base Kit. Always prioritize safety and responsible firearm handling. Thank you for your commitment to safety and responsible concealed carry.
