STACHE IWB Lower Back Holster Base Kit Safety Instructions

Introduction

Thank you for choosing the STACHE IWB Lower Back Holster Base Kit. This guide provides essential safety instructions to ensure the safe use of your holster system. Please read this manual carefully before using the product.

General Safety Guidelines

- Ensure that the holster is only used with compatible firearms: Glock 43, Glock 43X, and Springfield Hellcat.
- Always treat your firearm as if it is loaded, even when using a holster.
- Store your holster and firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the holster for any signs of wear or damage. Do not use if damaged.
- Be aware of your surroundings and ensure that the holster does not interfere with your movement or clothing.
- Follow all local laws and regulations regarding concealed carry and firearm usage.

Specific Safety Precautions for Use

- Before inserting your firearm into the holster, ensure that it is unloaded.
- Always secure your firearm in the holster before moving or engaging in any activities.
- Avoid using the holster while participating in activities that may cause the firearm to shift or become dislodged.
- Do not attempt to modify the holster or its components.
- Keep the holster away from extreme heat or corrosive materials to prevent damage.
- If you experience any discomfort while wearing the holster, adjust its position or remove it immediately.

Instructions for Installation and Usage

1. Installation:

- Choose a comfortable position for wearing the holster, typically inside the waistband at the lower back.
- Ensure that the holster is oriented correctly, with the opening facing upwards for easy access.
- Secure the holster using the provided clips, ensuring a snug fit against your waistband.

2. Usage:

- Always check that your firearm is unloaded before inserting it into the holster.
- Gently slide your firearm into the holster, ensuring it fits securely.
- Adjust the holster position as necessary for comfort and accessibility.
- Practice drawing your firearm from the holster in a safe environment to become familiar with the process.

Disposal Instructions

- Dispose of the holster in accordance with local regulations governing plastic and polymer waste.
- If the holster is damaged or no longer usable, consider recycling it if possible, or dispose of it in a manner that prevents unauthorized use.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact details provided with your purchase.

By following these safety instructions, you can ensure a safer experience while using the STACHE IWB Lower Back Holster Base Kit. Always prioritize safety and responsible firearm handling. Thank you for your attention.
