

# BORE-MAX SPEED BRUSH - REAL AVID 270 CALIBER BORE-MAX SPEED BRUSH

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

The Bore-Max Speed Brush is a component of the Bore-Max Speed Clean System for faster and easier bore cleaning. Carbon build-up not only affects performance and accuracy, but also causes degradation of the bore. Carbon build-up also insulates the copper fouling in the bore making it difficult to dissolve and remove with bore solvent. Using a bore brush to remove this carbon build-up is the best way to tackle the job. In order to achieve maximum effectiveness, there needs to be an optimal balance between bristle density and bristle flexibility. Having too few bristles is a waste of time and too many won't provide enough flexibility to navigate the lands and grooves of the bore. The bristle configuration of the Bore-Max Speed Brush provides maximum scrubbing density removing more carbon with each pass and getting maximum results faster.

## Attributes

- Name: [REAL AVID 270 CALIBER BORE-MAX SPEED BRUSH](#)
- Manufacturer: [REAL AVID](#)
- Product no.: 100047672
- Mfr. No.: AVBMSB270
- Caliber: 270/6.8 mm (.277)
- Style: Rifle
- Delivery weight: 0.045kg
- Shipping height: 13mm
- Shipping width: 70mm
- Shipping length: 171mm
- UPC: 813119013393

# BoreMax Speed Brush Safety Instruction Guide

## Introduction

Thank you for choosing the BoreMax Speed Brush, designed to enhance your bore cleaning experience. This guide provides important safety information and instructions to ensure the safe and effective use of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the BoreMax Speed Brush by following all instructions provided. The product is intended for nonfood use and should be handled with care.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive a recall notice, follow the instructions provided for safe return or remedy.
- **Online Shopping:** If purchased online, ensure the platform meets safety requirements similar to physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the appropriate EUbased contact point.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on unsafe products.

## Specific Safety Precautions for Use

- **Avoid Eye Contact:** Do not allow the brush to come into contact with your eyes. Use protective eyewear if necessary.
- **Keep Away From Children:** This product is intended for adult use only. Ensure it is stored in a safe place away from children.
- **Inspect Before Use:** Check the brush for any signs of damage or wear before use. Do not use if the bristles are frayed or broken.
- **Proper Cleaning:** Clean the brush after each use to maintain its effectiveness and prevent any buildup of debris.
- **Use in WellVentilated Areas:** When using bore solvent, ensure you are in a wellventilated area to avoid inhalation of fumes.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and in a safe state before beginning the cleaning process.
- Gather all necessary materials including the BoreMax Speed Brush and bore solvent.

### 2. Using the BoreMax Speed Brush:

- Insert the BoreMax Speed Brush into the bore of the firearm.
- Apply moderate pressure and use a twisting motion to scrub the bore.
- Make several passes to effectively remove carbon buildup.
- After use, remove the brush and clean it thoroughly.

### 3. PostUsage Care:

- Rinse the BoreMax Speed Brush with warm water and allow it to dry completely before storing.
- Store the brush in a cool, dry place away from direct sunlight.

## Disposal Instructions

- **Disposal of the Product:** If the BoreMax Speed Brush is no longer usable or needed, dispose of it in accordance with local regulations. Do not dispose of it in regular household waste.
- **Environmental Considerations:** Consider recycling options for the brush if available in your area.

## Contact Information for Further Support

For any further inquiries or support regarding the BoreMax Speed Brush, please refer to the appropriate EU-based contact point. Ensure you have the product details ready for a more efficient response.

By following these guidelines, you will ensure the safe and effective use of the BoreMax Speed Brush. Thank you for prioritizing safety in your cleaning routine.
