MASTERFIT 3 PRONG FLASH HIDER WRENCH

Safety Instructions

Introduction

Thank you for choosing the MASTERFIT 3 PRONG FLASH HIDER WRENCH by REAL AVID. This specialized tool is designed for use with 3prong flash hiders that require a precisefitment approach. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified.
- Always inspect the wrench for any damage or wear before use.
- Store the wrench in a dry place away from direct sunlight to prevent deterioration.
- Keep this product out of reach of children and vulnerable individuals.
- If you notice any defects or issues, do not use the product and report it to the manufacturer or retailer.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the wrench.
- Ensure the area is welllit and free from clutter to avoid accidents.
- Do not apply excessive force that may cause the wrench to slip or break.
- Use the wrench only with a compatible $\frac{1}{2}$ " receiver torque wrench head.
- Avoid using the wrench on flash hiders that are rusted, damaged, or otherwise compromised.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and ensure you have a compatible torque wrench.
- Read the instructions provided by the manufacturer of the flash hider for specific guidance.

2. Using the Wrench:

- Align the MASTERFIT 3 PRONG FLASH HIDER WRENCH with the prongs of the flash hider.
- Attach the wrench to the $\frac{1}{2}$ " receiver torque wrench head securely.
- Apply torque gradually and evenly to avoid damaging the flash hider or the wrench.
- Once the desired torque is reached, remove the wrench carefully.

3. PostUse Care:

- Clean the wrench after each use to remove any debris or residue.
- Inspect for any signs of wear or damage before storing.
- Store the wrench in its designated place to prevent loss or damage.

Disposal Instructions

- Dispose of the MASTERFIT 3 PRONG FLASH HIDER WRENCH in accordance with local regulations.
- If the wrench is damaged beyond repair, consider recycling materials where applicable.

Contact Information for Further Support

For any safety inquiries or support regarding the MASTERFIT 3 PRONG FLASH HIDER WRENCH, please reach out to the manufacturer or retailer from whom you purchased the product. They can provide assistance and information regarding safety recalls or product issues.

Conclusion

Following these safety instructions will help you use the MASTERFIT 3 PRONG FLASH HIDER WRENCH effectively and safely. Always prioritize safety and best practices while handling tools. Thank you for your attention to these guidelines.
