MASTERFIT 5/8 MUZZLE DEVICE/A2 BUTTSTOCK EXTENSION TUBE WRENCH Safety Instructions

Introduction

Thank you for choosing the MASTERFIT 5/8 MUZZLE DEVICE/A2 BUTTSTOCK EXTENSION TUBE WRENCH by REAL AVID. This specialized tool is designed for precise fitment and safe use in armorer tasks. This guide provides essential safety instructions and usage guidelines to ensure your safety and the effective use of this product.

General Safety Guidelines

- Always read and understand the safety instructions before using the tool.
- Ensure that the tool is used only for its intended purpose.
- Keep the tool out of reach of children and unauthorized users.
- Inspect the tool for any damage before use. Do not use if damaged.
- Use the tool in a welllit and clean workspace to avoid accidents.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the tool.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the torque applied is within the manufacturer's specifications to prevent damage to components.
- Avoid using excessive force, which may lead to slippage or injury.
- Do not use the wrench on live firearms or while the firearm is loaded.
- Maintain a firm grip on the tool during use to ensure control.
- Store the tool in a safe and dry place after use to prevent rust and damage.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and in a safe condition.
- Gather necessary tools and PPE before starting.

2. Using the Wrench:

- Attach the $\frac{1}{2}$ " receiver torque wrench head to the MASTERFIT wrench securely.
- Align the wrench with the A2 fixed stock receiver extension or 5/8" muzzle device.
- Apply torque gradually and steadily, ensuring that you do not exceed the recommended specifications.
- Monitor the fitment closely to ensure that the device is securely attached without overtightening.

3. PostUse:

- After use, clean the tool with a soft cloth to remove any debris or moisture.
- Store the wrench in a protective case or designated storage area to prevent damage.

Disposal Instructions

- Dispose of the wrench in accordance with local regulations regarding metal products.
- If the tool is damaged beyond repair, ensure it is disposed of in a manner that prevents any potential

hazards to the environment.
