

# ZERO RELOADING PRESS EXTRA TURRET - AREA 419 ZERO RELOADING PRESS EXTRA TURRET - HYBRID

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

AREA 419 ZERO RELOADING PRESS EXTRA TURRET One of the beautiful parts of the ZERO is the ability to set up dies and not remove them, simply rotate or replace your turret to get to another die. With the addition of extra turrets there is virtually no limit to the number of calibers you can set up to run on the ZERO, and changing a turret takes about 20 seconds. Turret replacement is also repeatable to under .001". All turrets will come with a press-fit pull-stud and die stations laser marked with a number on the outer diameter of the head. 7/8" turrets come with 9 die stations, all 7/8" thread. This is your standard die size. SPECIFICATIONS: Weight: 5 lbs Dimensions: 8 x 8 x 4 in Die Thread Pattern: 7/8"

# **ZERO RELOADING PRESS EXTRA TURRET HYBRID**

## **Safety Instructions**

### **Introduction**

Thank you for choosing the AREA 419 ZERO RELOADING PRESS EXTRA TURRET. This product is designed to enhance your reloading experience while ensuring your safety. Please read this guide carefully to understand how to use the product safely and effectively.

### **General Safety Guidelines**

- Always ensure that the reloading area is clean and free from distractions.
- Keep the reloading press out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as specified in this manual.
- Regularly inspect all components for wear or damage before use.
- If you notice any defects or unusual behavior, discontinue use immediately and seek assistance.
- Follow all local laws and regulations regarding reloading and ammunition.

### **Specific Safety Precautions for Use**

- Ensure that the press is securely mounted to a stable work surface before use.
- Always wear appropriate personal protective equipment, including safety glasses and gloves.
- Do not attempt to modify or alter the press or its components.
- Avoid wearing loose clothing or accessories that could become caught in the machinery.
- Be cautious when handling dies and other sharp tools; they can cause injury if mishandled.
- Keep your hands and other body parts clear of moving parts during operation.
- Store all reloading materials in a safe and secure location, away from heat and moisture.

## **Instructions for Installation and Usage**

### **Installation**

#### **1. Mounting the Press:**

- Select a sturdy workbench or table that can support the weight of the press.
- Use bolts or clamps to securely attach the press to the surface.
- Ensure that the press is level and stable before proceeding.

#### **2. Setting Up Dies:**

- Install the desired die into the turret.
- Tighten the die securely using the appropriate tools.
- Repeat this process for additional dies as needed.

### **Usage**

#### **1. Loading and Reloading:**

- Ensure that the press is in the correct position and that all components are secure.
- Rotate the turret to access the die you wish to use.
- Follow the manufacturer's instructions for specific reloading procedures.
- After use, remove any remaining materials from the press to maintain cleanliness.

## **2. Turret Replacement:**

- To change the turret, simply follow the steps outlined in the installation section.
- Ensure that the new turret is securely fastened and properly aligned.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the product reaches the end of its life cycle, dispose of it responsibly, ensuring that all components are recycled or disposed of according to local waste management guidelines.
- Do not dispose of the press or its components in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or product support, please refer to the manufacturer's contact information provided with the product packaging. It is important to have access to this information for any safety concerns or questions regarding the use of your ZERO RELOADING PRESS EXTRA TURRET.

By following these safety instructions, you can ensure a safe and effective reloading experience with your ZERO RELOADING PRESS EXTRA TURRET. Thank you for your attention to safety and for choosing AREA 419.
