# HARD CHARGER PULL HANDLES SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the HARD CHARGER PULL HANDLES by Devil Dog Concepts. This product is designed to enhance your experience with Side Charging Systems while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Ensure that the pull handles are compatible with your specific Devil Dog Concepts Side Charging System.
- Always inspect the product for any signs of damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding firearm accessories and usage.
- Report any unsafe conditions or product issues to the appropriate authorities.
- Regularly check the EU's Safety Gate platform for any recall updates related to this product.

## Specific Safety Precautions for Use

- Always wear appropriate protective gear, such as gloves, when handling the pull handles, especially in tactical environments.
- Do not use the pull handles if they are damaged or defective.
- Ensure that you have a firm grip on the pull handles while in use to prevent slippage.
- Be aware of your surroundings and maintain control of your firearm at all times.
- Avoid using the product in environments that may compromise its structural integrity, such as extreme temperatures or exposure to corrosive substances.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your firearm is unloaded and pointed in a safe direction before beginning installation.
- Remove the existing pull handles from your Devil Dog Concepts Side Charging System according to the manufacturer's instructions.
- Align the new HARD CHARGER PULL HANDLES with the mounting points on the charging system.
- Securely fasten the pull handles, ensuring that they are properly seated and do not move when pulled.

### 2. Usage:

- Grip the pull handles firmly with your dominant hand.
- Pull the handles back smoothly to charge the firearm.
- Release the handles to return them to their original position after charging.
- Practice using the pull handles in a safe environment to become familiar with their operation.
