# Safety Instruction Guide for 5 Piece Basic Straight Handle Woodcarving Set U.J. Ramelson #106

## Introduction

Thank you for choosing the 5 Piece Basic Straight Handle Woodcarving Set by U.J. Ramelson. This guide provides important safety instructions to ensure the safe and effective use of your wood carving tools. Please read this guide carefully before use and keep it for future reference.

## General Safety Guidelines

- Always use the tools in a welllit and clean workspace.
- Keep your work area free from clutter to avoid accidents.
- Ensure that you are seated or standing comfortably to maintain control while using the tools.
- Always wear protective gear, such as safety goggles and gloves, to protect yourself from potential injuries.
- Keep tools out of reach of children and untrained individuals.
- Regularly inspect tools for damage or wear before use. Do not use damaged tools.
- Follow all instructions and guidelines provided in this manual for safe operation.

## Specific Safety Precautions for Use

- Handle tools with care to avoid cuts or punctures. Always cut away from your body.
- Use the appropriate tool for each task; do not attempt to use a tool for a purpose it was not designed for.
- When not in use, store tools in a safe place, preferably in a designated toolbox or storage area.
- Avoid distractions while using the tools. Stay focused on the task at hand.
- If you feel tired or unwell, stop using the tools and take a break.
- Do not leave tools unattended while they are in use.

## Instructions for Installation and Usage

### 1. Unpack the Tools:

- Carefully remove the tools from the packaging.
- Inspect each tool for any signs of damage or defects.

### 2. Using the Tools:

- Select the appropriate tool for your wood carving project:
  - 5/16" #8 Gouge
  - 9/64" Straight Gouge
  - 9/64" Bent V
  - 3/8" Skew
  - 3/8" Bent Chisel
- Hold the tool firmly by the handle and position the blade against the wood.
- Apply gentle pressure and carve in smooth, controlled motions.
- For intricate designs, take your time and use smaller strokes.

### 3. Cleaning After Use:

- After completing your project, clean each tool with a soft cloth to remove wood shavings and

- debris.
- Store tools in a dry place to prevent rust and deterioration.

## **Disposal Instructions**

- Dispose of any damaged or unusable tools according to local regulations.
- Do not dispose of tools in regular household waste if they can be recycled or require special handling.
- Check with local waste management services for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please contact the manufacturer through the provided channels. Ensure you have the product name and model number available for reference.

Thank you for your attention to these safety guidelines. By following these instructions, you can enjoy a safe and rewarding wood carving experience with your U.J. Ramelson tools.
