VEINER LINE RESTORATION GUN STOCK TOOLS

Safety Instructions

Introduction

Thank you for choosing the VEINER LINE RESTORATION GUN STOCK TOOLS by U.J. Ramelson. This guide provides essential safety instructions to ensure the safe use of the product. Please read this guide carefully before using the tools.

General Safety Guidelines

- Ensure that all tools are used in accordance with the manufacturer's instructions.
- Always inspect tools before use for any signs of damage or wear.
- Keep tools out of reach of children and vulnerable individuals.
- Use tools only for their intended purpose.
- Store tools in a dry place to prevent damage and maintain functionality.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the tools.
- Use the tools in a wellventilated area to avoid inhaling any dust or debris.
- Avoid applying excessive force when using the tools to prevent injury or damage to the workpiece.
- Ensure your hands are dry and free from any substances that may affect grip.
- Do not use the tools if you are tired or under the influence of substances that may impair your judgment.

Instructions for Installation and Usage

1. Preparation:

- Read all instructions and safety guidelines before use.
- Gather all necessary materials and tools.
- Ensure your workspace is clean and organized.

2. Using the 3/32" Bent Veiner:

- Hold the veiner firmly by the hardwood handle.
- Position the tool at a 60degree angle to the surface.
- Gently press the tool into the material to create the desired line or design.

3. Using the 1/8" Straight Veiner:

- Grip the tool securely by the handle.
- Place the tool at a straight angle against the surface.
- Apply consistent pressure to achieve a clean line.

4. Using the 5/32" Bent Veiner:

- Hold the tool by the hardwood handle.
- Angle the tool at 90 degrees to the surface.
- Carefully guide the tool to touch up lines and designs.

5. PostUsage Care:

- Clean the tools after use to remove any residue.
- Store tools in a safe, dry place.
- Regularly check tools for wear and tear.

Disposal Instructions

- Dispose of any damaged or worn tools in accordance with local regulations.
- Recycle materials where possible, following local recycling guidelines.

Contact Information for Further Support

For safety inquiries or further assistance, please contact the manufacturer or your local distributor. Ensure you have the product details and any relevant information ready for a prompt response.

Thank you for your attention to these safety instructions. Your safety is our priority. Enjoy using your VEINER LINE RESTORATION GUN STOCK TOOLS!
