GUNSTOCK V & U CARVING SET Safety Instruction Guide

Introduction

Thank you for choosing the GUNSTOCK V & U CARVING SET by U.J. RAMELSON. This set includes five essential tools designed for woodcarving, specifically for checkering and restoration. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the tools in a welllit and clean workspace to prevent accidents.
- Keep the tools out of reach of children and unauthorized users.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves to protect against wood chips and sharp edges.
- Inspect tools before use for any signs of damage or wear. Do not use damaged tools.
- Store tools in a secure case when not in use to prevent accidents and damage.
- Avoid distractions while using the tools to maintain focus and precision.

Specific Safety Precautions for Use

- Ensure you are familiar with the specific function of each tool in the set before use.
- Use the tools only for their intended purpose; do not attempt to use them for tasks they are not designed for.
- Always cut away from your body and keep your hands and fingers clear of the cutting path.
- Use clamps or a vise to secure your workpiece when carving to prevent movement.
- If you feel tired or distracted, take a break before continuing to work with the tools.
- Do not force the tools; let them do the work to avoid injury or damage.

Instructions for Installation and Usage

1. Preparation:

- Ensure your workspace is clean and organized.
- Gather all necessary tools and materials before starting.

2. Using the Tools:

- **Bent V Chisels (3/32" & 5/32"):** Use these for creating fine details and grooves. Hold the chisel at a 60degree angle for optimal results.
- **Straight V Chisel (1/8"):** Ideal for making straight cuts and fine lines. Maintain a steady hand for precision.
- **Straight U Chisels (3/32" & 1/8"):** Best used for hollowing out areas and smoothing surfaces. Use gentle pressure to avoid breaking the wood.

3. PostUse:

- After completing your work, clean the tools with a soft cloth to remove any residue.
- Store the tools in their case to protect them and ensure they remain sharp.

Disposal Instructions

- Dispose of any wood shavings and debris in accordance with local waste management regulations.
- If the tools become unusable, contact your local waste disposal service for proper disposal methods. Do not dispose of tools in regular household waste.
