

ATLAS R-ONE M-LOK FREE FLOATING HANDGUARDS FOR AR-15 - AERO PRECISION ATLAS R-ONE 4.8" HANDGUARD M-LOK FREE FLOATING FOR AR-15 FDE

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The ATLAS R-ONE is the newest addition to the Aero Precision Handguard lineup. Machined from 6061-T6 Aluminum, the R-ONE line of handguards are designed with size and weight in mind, providing the perfect handguard for your lightweight build. Our proprietary ATLAS attachment system is a durable and dependable mounting platform, maintaining a slim profile while still providing the strength and stability customers have grown to love from Aero Precision handguards. Available in KeyMod and M-LOK® profiles with 12" and 15" options (7" and 9" options coming soon). ATLAS The new Aero Taper Lock Attachment System (ATLAS) is both functional and aesthetically pleasing. It features 2 mirrored tapered locking nuts that provide evenly distributed clamping pressure across a custom engineered barrel nut with use of a turnbuckle screw. A ratcheting detent further secures the design while providing positive registration during installation. By design, the even pressure of the ATLAS system avoids distortion of the handguard often seen with current applications during installation. All hardware mounting parts are included with the purchase of an ATLAS Handguard. Lightweight By Design KeyMod Handguard Weights: 7" - 5.12 oz / 9" - 5.92 oz / 12" - 7.84 oz / 15" - 8.96 oz M-LOK Handguard Weights: 7" - 5.22 oz / 9" - 6.03 oz / 12" - 8 oz / 15" - 9.07 oz Mounting Hardware Weight: 4.72 oz (same across all ATLAS Handguard options) Features: Full top picatinny rail for optional attachments Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Compatible with low profile gas blocks 1.3" Inside diameter 1.5" Outside diameter Compatible with mil-spec AR15 upper receivers and barrels ATLAS Handguards are designed to match seamlessly with our M4E1 Threaded Upper Receivers. Additionally, they are compatible with any Mil-Spec AR-15 upper receivers as well. However, they may not be compatible with billet upper receivers due to indexing tabs. Save when you buy them as a combo.

ATLAS RONE MLOK Free Floating Handguards

Safety Instruction Guide

Introduction

Thank you for choosing the ATLAS RONE MLOK Free Floating Handguards for your AR15. This guide provides essential safety information, installation instructions, and usage precautions to ensure your product is used safely and effectively. Please read this guide thoroughly before using the handguard.

General Safety Guidelines

To ensure your safety and the proper functioning of the ATLAS RONE Handguards, please adhere to the following guidelines:

- Always use the handguard in accordance with the manufacturer's instructions.
- Inspect the handguard for any damage or defects before each use.
- Ensure that the handguard is compatible with your specific AR15 model.
- Avoid using the handguard with incompatible or modified components.
- Keep the handguard out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents related to the handguard to the relevant authorities.

Specific Safety Precautions for Use

When using the ATLAS RONE Handguards, please consider the following precautions:

- Ensure that all mounting hardware is securely fastened before use.
- Do not exceed the weight limits specified for attachments on the handguard.
- Be cautious of sharp edges during installation and handling.
- Always wear appropriate safety gear, such as eye protection, when working with firearms.
- Ensure that the firearm is unloaded before installing or adjusting the handguard.
- Avoid using the handguard in extreme conditions unless specified by the manufacturer.

Instructions for Installation and Usage

To install and use the ATLAS RONE MLOK Free Floating Handguards, follow these steps:

1. Preparation

- Ensure you have the following tools: a torque wrench, appropriate hex keys, and safety goggles.
- Gather all components, including the handguard, mounting hardware, and any attachments you plan to use.

2. Installation

- Ensure the firearm is unloaded and the safety is engaged.
- Remove the existing handguard from your AR15 by loosening the screws or clamps that hold it in place.
- Align the ATLAS RONE Handguard with the barrel nut and slide it into position.
- Secure the handguard using the provided mounting hardware. Use a torque wrench to tighten to the manufacturer's specifications.
- Doublecheck that all screws and nuts are tightened properly.

3. Usage

- Attach any accessories to the MLOK slots as needed, ensuring they are compatible and securely fastened.
- Regularly check the handguard and attachments for any signs of wear or loosening.

Disposal Instructions

When the ATLAS RONE Handguards reach the end of their lifecycle, please dispose of them responsibly:

- Check local regulations for proper disposal methods for aluminum products.
- Recycle the handguard if possible, ensuring that it is free from any hazardous materials.
- Do not dispose of the handguard in regular household waste.

Contact Information for Further Support

For additional information or safety inquiries, please refer to the manufacturer's contact point as provided in the product packaging or official website.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using the ATLAS RONE MLOK Free Floating Handguards.
