

# MODULAR HEADSPACE COMPARATOR BULLET INSERTS - SHORT ACTION CUSTOMS 22 CAL STRAIGHT MODULAR HEADSPACE COMPARATOR BULLET INSERT

[Reloading](#) > [Measuring Tools](#) > [Bullet Comparator Inserts](#)

Bullet Inserts for your Modular Headspace Comparator \*\*\*Requires Modular Headspace Comparator Body\*\*\* The Modular Headspace Body must be purchased separately and can be found at the Modular Headspace Comparator Body page. Why are you measuring a single point on the bullets ogive like all other bullet comparators do? This unique bullet comparator uses a 3.0 degree "lead angle" to contact your bullet's ogive in the exact same location as your barrel does, giving you the most accurate and useful measurements. For example, the 6.5mm Bullet Insert starts at a .266" diameter and angles down at 3.0 degrees to .256" diameter, exactly like a 6.5mm chambered barrel would. Manufactured from 17-4 Stainless Steel, these bullet inserts for the Modular Headspace Comparator are the most accurate way to measure your bullets and loaded ammunition for consistency.

## Attributes

- Name: [SHORT ACTION CUSTOMS 22 CAL STRAIGHT MODULAR HEADSPACE COMPARATOR BULLET INSERT](#)
- Manufacturer: [SHORT ACTION CUSTOMS](#)
- Product no.: 100050117
- Mfr. No.: SAC-22SBI
- Caliber: 22 Caliber (.223-.224)
- Delivery weight: 0.036kg
- Shipping height: 25mm
- Shipping width: 89mm
- Shipping length: 102mm

# MODULAR HEADSPACE COMPARATOR BULLET INSERTS SHORT ACTION CUSTOMS 22 CAL SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Modular Headspace Comparator Bullet Inserts from Short Action Customs. These inserts are designed to provide accurate measurements for your bullets and loaded ammunition. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always follow the manufacturer's instructions for the use of the Modular Headspace Comparator and Bullet Inserts.
- Ensure that the Modular Headspace Comparator Body is purchased separately and used in conjunction with the bullet inserts.
- Store the bullet inserts in a safe place, away from children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for updates on product recalls via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not use the bullet inserts for any purpose other than measuring bullets and loaded ammunition.
- Avoid contact with sharp edges or points when handling the bullet inserts.
- Ensure that the bullet inserts are clean and free from debris before use.
- Handle the Modular Headspace Comparator and Bullet Inserts with care to avoid damage.
- Use eye protection when measuring bullets to prevent injury from any accidental projectiles.

## Instructions for Installation and Usage

### 1. Installation of the Modular Headspace Comparator Body:

- Ensure you have the Modular Headspace Comparator Body before using the bullet inserts.
- Follow the installation instructions provided with the Modular Headspace Comparator Body.

### 2. Using the Bullet Inserts:

- Select the appropriate bullet insert for the caliber you are measuring (in this case, 22 Caliber).
- Insert the bullet insert into the Modular Headspace Comparator Body.
- Carefully place the bullet into the insert, ensuring that it is seated correctly.
- Measure the bullet's ogive using the comparator, noting the measurement for your records.

### 3. PostUse Care:

- After use, remove the bullet insert and clean it thoroughly to prevent corrosion or buildup.
- Store the bullet inserts in a protective case or designated area to prevent damage.

## Disposal Instructions

- Dispose of any damaged or unusable bullet inserts in accordance with local regulations.
- Do not dispose of the bullet inserts in regular household waste if they are contaminated with hazardous materials.

- For disposal of stainless steel components, consider recycling options available in your area.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. We wish you safe and successful measuring with your Modular Headspace Comparator Bullet Inserts.
