

MODULAR HEADSPACE COMPARATOR BULLET INSERTS - SHORT ACTION CUSTOMS 22 CALIBER MODULAR HEADSPACE COMPARATOR BULLET INSERT

[Reloading](#) > [Measuring Tools](#) > [Bullet Comparator Inserts](#)

Bullet Inserts for your Modular Headspace Comparator ***Requires Modular Headspace Comparator Body*** The Modular Headspace Body must be purchased separately and can be found at the Modular Headspace Comparator Body page. Why are you measuring a single point on the bullets ogive like all other bullet comparators do? This unique bullet comparator uses a 3.0 degree "lead angle" to contact your bullet's ogive in the exact same location as your barrel does, giving you the most accurate and useful measurements. For example, the 6.5mm Bullet Insert starts at a .266" diameter and angles down at 3.0 degrees to .256" diameter, exactly like a 6.5mm chambered barrel would. Manufactured from 17-4 Stainless Steel, these bullet inserts for the Modular Headspace Comparator are the most accurate way to measure your bullets and loaded ammunition for consistency.

Attributes

- Name: [SHORT ACTION CUSTOMS 22 CALIBER MODULAR HEADSPACE COMPARATOR BULLET INSERT](#)
- Manufacturer: [SHORT ACTION CUSTOMS](#)
- Product no.: 100050122
- Mfr. No.: SAC-22BI

Safety Instruction Guide for Modular Headspace Comparator Bullet Inserts

Introduction

Thank you for choosing the Modular Headspace Comparator Bullet Inserts designed for use with the Modular Headspace Comparator Body. This guide provides important safety information, usage instructions, and disposal guidelines to ensure your safe and effective use of this product.

General Safety Guidelines

- Ensure that you understand the purpose and function of the Modular Headspace Comparator Bullet Inserts before use.
- Always use the bullet inserts in conjunction with the Modular Headspace Comparator Body, which must be purchased separately.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the bullet inserts for any signs of wear or damage before use.
- Report any unsafe conditions or product malfunctions to the appropriate authorities.

Specific Safety Precautions for Use

- Always handle the bullet inserts with care to avoid injury.
- Do not use the bullet inserts for any purpose other than measuring bullet ogives.
- Ensure that the Modular Headspace Comparator Body is securely assembled before attaching the bullet inserts.
- Use appropriate personal protective equipment (PPE), such as safety glasses, when using the product.
- Avoid contact with sharp edges or points on the bullet inserts.
- If you experience any discomfort or adverse reactions while using the product, discontinue use immediately and seek medical advice.

Instructions for Installation and Usage

1. Installation of the Bullet Inserts:

- Ensure the Modular Headspace Comparator Body is clean and free from debris.
- Align the bullet insert with the corresponding slot on the Modular Headspace Comparator Body.
- Gently push the bullet insert into place until it is securely fitted.

2. Using the Bullet Inserts:

- Select the bullet you wish to measure and ensure it is clean and free of obstructions.
- Insert the bullet into the Modular Headspace Comparator Body, ensuring it contacts the bullet insert correctly.
- Measure the bullet ogive as per the instructions provided with the Modular Headspace Comparator Body.
- Record your measurements for consistency checks.

3. After Use:

- Carefully remove the bullet insert from the Modular Headspace Comparator Body.
- Clean the bullet inserts according to the manufacturer's recommendations to maintain their accuracy and longevity.

Disposal Instructions

- Dispose of the bullet inserts in accordance with local regulations for metal products.
- Do not dispose of the bullet inserts in regular household waste.
- If the product is damaged or worn beyond usability, consider recycling it if facilities are available in your area.

Contact Information for Further Support

For any safety inquiries or support regarding the Modular Headspace Comparator Bullet Inserts, please consult the manufacturer's website or contact customer support directly. Always keep safety as your top priority when using this product.

Thank you for your attention to these safety instructions. Enjoy your experience with the Modular Headspace Comparator Bullet Inserts and ensure consistent and precise measurements for your ammunition.
