

# MODULAR HEADSPACE COMPARATOR BULLET INSERTS - SHORT ACTION CUSTOMS 6MM MODULAR HEADSPACE COMPARATOR BULLET INSERT

[Reloading](#) > [Measuring Tools](#) > [Bullet Comparator Inserts](#)

Bullet Inserts for your Modular Headspace Comparator \*\*\*Requires Modular Headspace Comparator Body\*\*\* The Modular Headspace Body must be purchased separately and can be found at the Modular Headspace Comparator Body page. Why are you measuring a single point on the bullets ogive like all other bullet comparators do? This unique bullet comparator uses a 3.0 degree ""lead angle"" to contact your bullet's ogive in the exact same location as your barrel does, giving you the most accurate and useful measurements. For example, the 6.5mm Bullet Insert starts at a .266"" diameter and angles down at 3.0 degrees to .256"" diameter, exactly like a 6.5mm chambered barrel would. Manufactured from 17-4 Stainless Steel, these bullet inserts for the Modular Headspace Comparator are the most accurate way to measure your bullets and loaded ammunition for consistency.

## Attributes

- Name: [SHORT ACTION CUSTOMS 6MM MODULAR HEADSPACE COMPARATOR BULLET INSERT](#)
- Manufacturer: [SHORT ACTION CUSTOMS](#)
- Product no.: 100050125
- Mfr. No.: SAC-6MMBI
- Caliber: 243/6 mm (.243)
- Delivery weight: 0.036kg
- Shipping height: 25mm
- Shipping width: 89mm
- Shipping length: 102mm

# Safety Instruction Guide for Modular Headspace Comparator Bullet Inserts

## Introduction

Thank you for choosing the Modular Headspace Comparator Bullet Inserts from Short Action Customs. These inserts are designed to provide accurate measurements for your bullets and loaded ammunition. This guide aims to provide essential safety information to ensure the safe and effective use of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always ensure that you are using the Modular Headspace Comparator Bullet Inserts in conjunction with the Modular Headspace Comparator Body, which must be purchased separately.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents or injuries.
- Regularly inspect the bullet inserts for any signs of wear or damage before each use. Do not use damaged inserts.
- Follow all local laws and regulations regarding the use and handling of ammunition and firearm accessories.

## Specific Safety Precautions for Use

- Ensure that the bullet inserts are compatible with your specific caliber before use. This product is designed for the 6mm caliber.
- Use protective eyewear when measuring and handling ammunition components to protect against potential debris or projectiles.
- Do not apply excessive force when inserting or removing the bullet inserts from the comparator body. This may cause damage to the components.
- Avoid using the bullet inserts in wet or damp conditions to prevent corrosion and ensure accurate measurements.
- Always store the bullet inserts in a dry, cool place when not in use to maintain their integrity.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the Modular Headspace Comparator Body is clean and free from debris.
- Align the bullet insert with the comparator body, ensuring that it fits securely.
- Gently push the bullet insert into the comparator body until it is fully seated.

### 2. Usage:

- Place the bullet or cartridge into the comparator body with the bullet insert in place.
- Measure the bullet's ogive by observing the contact point between the bullet insert and the bullet.
- Record the measurements as needed for consistency in your reloading process.

### 3. PostUse:

- After use, carefully remove the bullet insert from the comparator body.
- Clean the bullet insert with a soft cloth to remove any residue or debris.
- Store the bullet insert in its designated storage container or pouch.

## Disposal Instructions

- Dispose of any damaged or worn bullet inserts in accordance with local regulations regarding the disposal of metal products.
- Do not dispose of the bullet inserts in regular household waste. Check for recycling options in your area.

## Contact Information for Further Support

For any inquiries regarding safety or product support, please contact the manufacturer or refer to the product's official website for assistance. You can also check for recall updates and safety alerts on the EU's Safety Gate platform.

Thank you for prioritizing safety while using the Modular Headspace Comparator Bullet Inserts. Your attention to these guidelines helps ensure a safe and effective reloading experience.
