

MODULAR HEADSPACE COMPARATOR BULLET INSERTS - SHORT ACTION CUSTOMS 375 CALIBER MODULAR HEADSPACE COMPARATOR BULLET INSERT

[Reloading](#) > [Measuring Tools](#) > [Bullet Comparator Inserts](#)

Bullet Inserts for your Modular Headspace Comparator ***Requires Modular Headspace Comparator Body*** The Modular Headspace Body must be purchased separately and can be found at the Modular Headspace Comparator Body page. Why are you measuring a single point on the bullets ogive like all other bullet comparators do? This unique bullet comparator uses a 3.0 degree "lead angle" to contact your bullet's ogive in the exact same location as your barrel does, giving you the most accurate and useful measurements. For example, the 6.5mm Bullet Insert starts at a .266" diameter and angles down at 3.0 degrees to .256" diameter, exactly like a 6.5mm chambered barrel would. Manufactured from 17-4 Stainless Steel, these bullet inserts for the Modular Headspace Comparator are the most accurate way to measure your bullets and loaded ammunition for consistency.

Attributes

- Name: [SHORT ACTION CUSTOMS 375 CALIBER MODULAR HEADSPACE COMPARATOR BULLET INSERT](#)
- Manufacturer: [SHORT ACTION CUSTOMS](#)
- Product no.: 100050126

Modular Headspace Comparator Bullet Inserts

Safety Instructions

Introduction

Thank you for choosing the Modular Headspace Comparator Bullet Inserts from Short Action Customs. These bullet inserts are designed to provide accurate measurements for your bullets and loaded ammunition. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always handle the bullet inserts with care to avoid injury.
- Keep the bullet inserts out of reach of children and pets.
- Do not use the bullet inserts for any purpose other than intended.
- Regularly inspect the bullet inserts for any signs of wear or damage before use.
- If you notice any defects or issues, discontinue use immediately and contact the manufacturer.

Specific Safety Precautions for Use

- Ensure that the Modular Headspace Comparator Body is securely attached before using the bullet inserts.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when measuring bullets.
- Do not apply excessive force when inserting or removing the bullet inserts to avoid damaging them.
- Avoid using the bullet inserts in wet or damp conditions to prevent rust or corrosion.
- Always follow the manufacturer's instructions for the Modular Headspace Comparator Body and bullet inserts.

Instructions for Installation and Usage

1. Installation of Bullet Inserts:

- Ensure that the Modular Headspace Comparator Body is clean and free from debris.
- Align the bullet insert with the comparator body and gently push it into place until it is securely seated.
- Confirm that the bullet insert is properly installed by checking for any gaps or movement.

2. Using the Bullet Inserts:

- Place the bullet you wish to measure into the comparator body with the bullet insert installed.
- Carefully close the comparator body to secure the bullet in place.
- Take the measurement as per the instructions provided with the Modular Headspace Comparator Body.
- Record the measurements for your records and adjust your reloading process as necessary.

3. Maintenance:

- After use, clean the bullet inserts with a soft cloth to remove any residue.
- Store the bullet inserts in a dry place, away from direct sunlight and moisture.
- Regularly check the bullet inserts for signs of wear and replace them if necessary.

Disposal Instructions

- Dispose of any damaged or worn bullet inserts in accordance with local regulations.
- Do not throw the bullet inserts in regular household waste if they are made of metal; check for recycling options in your area.
- Ensure that any packaging materials are disposed of responsibly.

Contact Information for Further Support

For any safety inquiries, product information, or support, please refer to the manufacturer's contact details provided with your product packaging.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using your Modular Headspace Comparator Bullet Inserts.
