

# MODULAR HEADSPACE COMPARATOR BULLET INSERTS - SHORT ACTION CUSTOMS 30 CALIBER MODULAR HEADSPACE COMPARATOR BULLET INSERT

[Reloading](#) > [Measuring Tools](#) > [Bullet Comparator Inserts](#)

Bullet Inserts for your Modular Headspace Comparator \*\*\*Requires Modular Headspace Comparator Body\*\*\* The Modular Headspace Body must be purchased separately and can be found at the Modular Headspace Comparator Body page. Why are you measuring a single point on the bullets ogive like all other bullet comparators do? This unique bullet comparator uses a 3.0 degree ""lead angle"" to contact your bullet's ogive in the exact same location as your barrel does, giving you the most accurate and useful measurements. For example, the 6.5mm Bullet Insert starts at a .266"" diameter and angles down at 3.0 degrees to .256"" diameter, exactly like a 6.5mm chambered barrel would. Manufactured from 17-4 Stainless Steel, these bullet inserts for the Modular Headspace Comparator are the most accurate way to measure your bullets and loaded ammunition for consistency.

## Attributes

- Name: [SHORT ACTION CUSTOMS 30 CALIBER MODULAR HEADSPACE COMPARATOR BULLET INSERT](#)
- Manufacturer: [SHORT ACTION CUSTOMS](#)
- Product no.: 100050129

# Safety Instruction Guide for MODULAR HEADSPACE COMPARATOR BULLET INSERTS

## Introduction

Thank you for choosing the MODULAR HEADSPACE COMPARATOR BULLET INSERTS. This product is designed to provide accurate measurements for your bullets and loaded ammunition. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that all safety precautions are followed when using this product.
- Use the product only for its intended purpose as described in the product documentation.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear. Do not use if damaged.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses and gloves, when handling bullets and ammunition.
- Ensure that the Modular Headspace Comparator Body is securely assembled before use.
- Do not attempt to modify or alter the bullet inserts in any way.
- Use caution when measuring bullets to avoid pinching fingers or causing injury.
- Keep your workspace clean and free of clutter to prevent accidents.
- Store the bullet inserts in a secure location when not in use to prevent unauthorized access.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have the Modular Headspace Comparator Body, which must be purchased separately.
- Gather your bullets and the necessary tools for measurement.

### 2. Installation:

- Attach the bullet insert to the Modular Headspace Comparator Body according to the manufacturer's instructions.
- Ensure that the insert is securely fastened and correctly aligned.

### 3. Usage:

- Place the bullet in the comparator, ensuring that it is seated properly.
- Measure the bullet's ogive using the comparator. The unique 3.0degree lead angle will provide accurate measurements.
- Record the measurements for your reference.

### 4. PostUsage:

- Carefully remove the bullet from the comparator.
- Clean the bullet insert and comparator body as per the manufacturer's recommendations.
- Store the inserts in a safe location.

## **Disposal Instructions**

- Dispose of any damaged bullet inserts according to local regulations for hazardous materials.
- Do not throw the bullet inserts into regular waste. Check with local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the MODULAR HEADSPACE COMPARATOR BULLET INSERTS, please refer to the manufacturer's website or customer service for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your MODULAR HEADSPACE COMPARATOR BULLET INSERTS. Thank you for your attention to safety.
