

# MODULAR HEADSPACE COMPARATOR INSERTS - SHORT ACTION CUSTOMS 204 RUGER MODULAR HEADSPACE COMPARATOR INSERT

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Headspace Inserts for your Modular Headspace Comparator \*\*\*Requires Modular Headspace Comparator Body\*\*\* The Modular Headspace Body must be purchased separately and can be found at the Modular Headspace Comparator Body page. New Modular Design for the most accurate cartridge headspace and bullet measurements available! Newly designed Modular Headspace Comparator (MHC) is an updated version of the highly successful dedicated Headspace Comparator that SAC previously made out of 6061 aluminum. They improved on its design allowing the new MHC to be used with cartridges up to 338 Lapua Magnum and more. Each bullet and headspace insert is precision machined out of 17-4 Stainless Steel for increased durability and corrosion resistance. Simply put, these are the highest quality headspace and bullet measuring tools available.

## Consumer Safety Instruction Guide

### Introduction

Thank you for choosing the Modular Headspace Comparator Inserts from Short Action Customs. These precision tools are designed to provide accurate cartridge headspace and bullet measurements. This guide outlines important safety instructions and guidelines to ensure the safe use of the product in compliance with the EU General Product Safety Regulation (GPSR).

### General Safety Guidelines

- Ensure the product is used only for its intended purpose as outlined in this guide.
- Always keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any signs of damage or wear before use. Do not use if damaged.
- Use the product in a welllit and clean environment to avoid accidents.
- Familiarize yourself with the product and its components before use.
- Report any unsafe conditions or accidents to the relevant authorities.
- Regularly check for updates on product recalls via the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- Handle the headspace inserts with care to avoid injury.
- When measuring, ensure that the comparator body is securely attached to avoid slippage.
- Do not exceed the maximum cartridge size specified for the Modular Headspace Comparator.
- Use appropriate personal protective equipment (PPE), such as safety glasses, when working with the product.
- Avoid using the product in wet or humid conditions to prevent corrosion.
- Store the product in a dry and secure location after use.

### Instructions for Installation and Usage

#### 1. Installation of the Modular Headspace Comparator Body

- Purchase the Modular Headspace Comparator Body separately.
- Ensure the comparator body is clean and free from debris before installation.
- Attach the headspace insert securely to the comparator body according to the manufacturer's instructions.

#### 2. Using the Modular Headspace Comparator Inserts

- Select the appropriate headspace insert for the cartridge you are measuring (in this case, 204 Ruger).
- Insert the cartridge into the comparator body with the headspace insert attached.
- Align the cartridge properly to ensure accurate measurement.
- Take the measurement by following the specific instructions provided with the comparator body.
- Record the measurements as needed for your records.

#### 3. PostUse Care

- Clean the headspace inserts after each use to maintain accuracy and prevent corrosion.
- Store the inserts in their designated case or container when not in use.

## **Disposal Instructions**

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, check for local recycling programs or hazardous waste disposal options.

## **Contact Information for Further Support**

For any questions or concerns regarding the product, please refer to the manufacturer's website or customer service for assistance.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
