

MODULAR HEADSPACE COMPARATOR INSERTS - SHORT ACTION CUSTOMS 25 CALIBER X 30° MODULAR HEADSPACE COMPARATOR INSERT

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Headspace Inserts for your Modular Headspace Comparator ***Requires Modular Headspace Comparator Body*** The Modular Headspace Body must be purchased separately and can be found at the Modular Headspace Comparator Body page. New Modular Design for the most accurate cartridge headspace and bullet measurements available! Newly designed Modular Headspace Comparator (MHC) is an updated version of the highly successful dedicated Headspace Comparator that SAC previously made out of 6061 aluminum. They improved on its design allowing the new MHC to be used with cartridges up to 338 Lapua Magnum and more. Each bullet and headspace insert is precision machined out of 17-4 Stainless Steel for increased durability and corrosion resistance. Simply put, these are the highest quality headspace and bullet measuring tools available.

Safety Instruction Guide for Modular Headspace Comparator Inserts

Introduction

Thank you for choosing the Modular Headspace Comparator Inserts from Short Action Customs. These inserts are designed to provide the most accurate cartridge headspace and bullet measurements available. This guide provides important safety instructions and guidelines to ensure the safe use of your product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the Modular Headspace Comparator Body is purchased separately and used with these inserts.
- Always read and understand the instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Do not attempt to modify or repair the product yourself.
- Use the product only for its intended purpose as described in this guide.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when using the Modular Headspace Comparator.
- Ensure that the working area is clean and free from obstructions.
- Handle the inserts carefully to avoid injury from sharp edges.
- Avoid using the product in wet or damp conditions to prevent rust and corrosion.
- Store the inserts in a dry place after use to maintain their integrity and performance.
- Do not exceed the maximum cartridge size specified for the Modular Headspace Comparator.

Instructions for Installation and Usage

Installation

1. Ensure you have the Modular Headspace Comparator Body before proceeding with the installation of the inserts.
2. Carefully remove the headspace insert from its packaging.
3. Align the insert with the appropriate slot on the Modular Headspace Comparator Body.
4. Gently press the insert into place until it is securely fitted.

Usage

1. Select the cartridge you wish to measure.
2. Insert the cartridge into the Modular Headspace Comparator with the headspace insert in place.
3. Follow the manufacturer's guidelines for measuring headspace and bullet dimensions.
4. Record your measurements accurately for future reference.
5. After use, remove the cartridge and clean the insert if necessary.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the inserts in regular household waste.

- Contact your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Modular Headspace Comparator Inserts, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for your attention to these safety instructions. We hope you enjoy the precision and quality of your Modular Headspace Comparator Inserts!
