[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Headspace Inserts for your Modular Headspace Comparator \*\*\*Requires Modular Headspace Comparator Body\*\*\* The Modular Headspace Body must be purchased separately and can be found at the Modular Headspace Comparator Body page. New Modular Design for the most accurate cartridge headspace and bullet measurements available! Newly designed Modular Headspace Comparator (MHC) is an updated version of the highly successful dedicated Headspace Comparator that SAC previously made out of 6061 aluminum. They improved on its design allowing the new MHC to be used with cartridges up to 338 Lapua Magnum and more. Each bullet and headspace insert is precision machined out of 17-4 Stainless Steel for increased durability and corrosion resistance. Simply put, these are the highest quality headspace and bullet measuring tools available.

# Safety Instructions for Modular Headspace Comparator Inserts Short Action Customs 223 Remington

## Introduction

Thank you for choosing the Modular Headspace Comparator Inserts by Short Action Customs. These inserts are designed to provide you with precise headspace and bullet measurements for your reloading needs. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the Modular Headspace Comparator Body is purchased separately to use the headspace inserts safely and effectively.
- Always handle the headspace inserts with care to avoid injury or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the inserts for signs of wear or damage before use.
- If you notice any defects or issues, discontinue use immediately and contact the manufacturer for support.

## Specific Safety Precautions for Use

- Use the headspace inserts only for their intended purpose, which is to measure cartridge headspace and bullet dimensions.
- Do not attempt to modify or alter the headspace inserts in any way.
- Ensure that the Modular Headspace Comparator Body is properly secured before attaching or removing the inserts.
- Wear appropriate safety gear, such as safety glasses, when using the product to protect against potential debris or accidents.
- Store the headspace inserts in a safe, dry place when not in use to prevent corrosion and damage.

## Instructions for Installation and Usage

### 1. Installation of Headspace Inserts:

- Ensure that the Modular Headspace Comparator Body is clean and free from debris.
- Align the headspace insert with the opening of the Modular Headspace Comparator Body.
- Gently push the insert into place until it is securely fitted.
- Verify that the insert is properly seated before using the comparator.

### 2. Using the Modular Headspace Comparator:

- Select the cartridge you wish to measure.
- Insert the cartridge into the Modular Headspace Comparator Body with the attached headspace insert.
- Follow the manufacturer's guidelines for measuring headspace and bullet dimensions to ensure accuracy.
- Remove the cartridge and insert after use and store them safely.

### 3. Cleaning and Maintenance:

- Clean the headspace inserts with a soft cloth after each use to remove any residue.

- Avoid using harsh chemicals that may damage the stainless steel material.
- Periodically check for any signs of corrosion or wear and replace the inserts if necessary.

## **Disposal Instructions**

- Dispose of any damaged or worn headspace inserts in accordance with local regulations for metal recycling.
- Do not dispose of the inserts in regular household waste.
- Ensure that any packaging materials are recycled or disposed of responsibly.

## **Contact Information for Further Support**

For any inquiries regarding the safety, usage, or maintenance of the Modular Headspace Comparator Inserts, please contact the manufacturer directly. Ensure you have your product details available for a more efficient response.

Thank you for your attention to these safety instructions. Proper use and care of the Modular Headspace Comparator Inserts will ensure a safe and effective reloading experience.
