

MODULAR HEADSPACE COMPARATOR INSERTS - SHORT ACTION CUSTOMS 6MM X 40° W/.275" NECK MODULAR HEADSPACE COMPARATOR INSERT

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Headspace Inserts for your Modular Headspace Comparator ***Requires Modular Headspace Comparator Body*** The Modular Headspace Body must be purchased separately and can be found at the Modular Headspace Comparator Body page. New Modular Design for the most accurate cartridge headspace and bullet measurements available! Newly designed Modular Headspace Comparator (MHC) is an updated version of the highly successful dedicated Headspace Comparator that SAC previously made out of 6061 aluminum. They improved on its design allowing the new MHC to be used with cartridges up to 338 Lapua Magnum and more. Each bullet and headspace insert is precision machined out of 17-4 Stainless Steel for increased durability and corrosion resistance. Simply put, these are the highest quality headspace and bullet measuring tools available.

Safety Instruction Guide for Modular Headspace Comparator Inserts

Introduction

Thank you for choosing the Modular Headspace Comparator Inserts from Short Action Customs. These precision tools are designed to provide you with the most accurate cartridge headspace and bullet measurements available. This guide contains important safety instructions and guidelines to ensure the safe and effective use of the product.

General Safety Guidelines

- Ensure that you read and understand all safety instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, such as eye protection, when using this product.
- Regularly inspect the product for any signs of damage or wear before each use.
- If you notice any defects or issues, do not use the product and contact the manufacturer for further assistance.
- Follow all local laws and regulations regarding the handling and use of firearms and ammunition.

Specific Safety Precautions for Use

- Only use the Modular Headspace Comparator Inserts with the compatible Modular Headspace Comparator Body.
- Do not attempt to modify or alter the product in any way.
- Avoid using the product in wet or damp conditions to prevent corrosion and ensure accurate measurements.
- Handle the inserts with care to prevent injury from sharp edges.
- Ensure that all measurements are taken in a safe and controlled environment.
- Do not use the product if you are under the influence of drugs or alcohol.

Instructions for Installation and Usage

1. Installation of Inserts:

- Ensure that the Modular Headspace Comparator Body is clean and free from debris.
- Select the appropriate headspace insert for your cartridge size (e.g., 6mm).
- Carefully insert the headspace insert into the Modular Headspace Comparator Body until it is securely in place.

2. Using the Comparator:

- Place the cartridge into the comparator with the headspace insert installed.
- Ensure that the cartridge is seated properly and securely.
- Take the measurement according to the manufacturer's guidelines.
- Record the measurement for your reference.

3. PostUse Care:

- After use, remove the headspace insert from the comparator body.
- Clean the inserts and comparator body to remove any residue or debris.
- Store the inserts in a dry, safe place to prevent damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal and plastic waste.
- Do not dispose of the product in household waste.
- If the product is damaged or no longer usable, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Modular Headspace Comparator Inserts, please refer to the manufacturer's website or contact their customer service for assistance.

Thank you for following these safety guidelines. Your safety and satisfaction are our top priorities.
