

# MODULAR HEADSPACE COMPARATOR INSERTS - SHORT ACTION CUSTOMS 6MM X 40° W/.273" NECK MODULAR HEADSPACE COMPARATOR INSERT

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Headspace Inserts for your Modular Headspace Comparator \*\*\*Requires Modular Headspace Comparator Body\*\*\* The Modular Headspace Body must be purchased separately and can be found at the Modular Headspace Comparator Body page. New Modular Design for the most accurate cartridge headspace and bullet measurements available! Newly designed Modular Headspace Comparator (MHC) is an updated version of the highly successful dedicated Headspace Comparator that SAC previously made out of 6061 aluminum. They improved on its design allowing the new MHC to be used with cartridges up to 338 Lapua Magnum and more. Each bullet and headspace insert is precision machined out of 17-4 Stainless Steel for increased durability and corrosion resistance. Simply put, these are the highest quality headspace and bullet measuring tools available.

# Modular Headspace Comparator Inserts Safety Instructions

## Introduction

Thank you for purchasing the Modular Headspace Comparator Inserts from Short Action Customs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before using the Modular Headspace Comparator Inserts.

## General Safety Guidelines

- Ensure that the Modular Headspace Comparator Body is purchased separately and is compatible with these inserts.
- Always handle the inserts with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the inserts for any signs of damage before use. Do not use damaged products.
- Follow all local laws and regulations regarding the use of this product.

## Specific Safety Precautions for Use

- Use only with the Modular Headspace Comparator Body designed for these inserts.
- Avoid using excessive force when inserting or removing the headspace inserts.
- Do not modify the inserts or the comparator body in any way.
- Wear appropriate safety gear, such as safety glasses, when using the comparator.
- Store the inserts in a safe and dry place when not in use to prevent damage.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the Modular Headspace Comparator Body is clean and free from debris.
- Align the headspace insert with the comparator body.
- Gently press the insert into the comparator body until it is securely in place.

### 2. Usage

- Ensure that the comparator is placed on a stable surface before use.
- Insert the cartridge into the comparator according to the manufacturer's instructions.
- Take measurements carefully, ensuring that the comparator is stable during the process.
- Record measurements accurately for reference.

### 3. PostUsage

- Remove the cartridge and the headspace insert from the comparator.
- Clean the comparator body and inserts with a soft cloth to remove any residue.
- Store the inserts and comparator body in a protective case to prevent damage.

## Disposal Instructions

- Dispose of any damaged or unusable inserts according to local regulations.
- Do not dispose of the inserts in regular household waste if they are made of metal. Check for local recycling programs that accept metal products.

## **Contact Information for Further Support**

For any questions or concerns regarding the Modular Headspace Comparator Inserts, please refer to the manufacturer's website or contact your local dealer for assistance. Always keep this guide for future reference.

Thank you for choosing Short Action Customs for your precision measuring needs!
