

MODULAR HEADSPACE COMPARATOR INSERTS - SHORT ACTION CUSTOMS 6.5MM X 35° MODULAR HEADSPACE COMPARATOR INSERT

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Headspace Inserts for your Modular Headspace Comparator ***Requires Modular Headspace Comparator Body*** The Modular Headspace Body must be purchased separately and can be found at the Modular Headspace Comparator Body page. New Modular Design for the most accurate cartridge headspace and bullet measurements available! Newly designed Modular Headspace Comparator (MHC) is an updated version of the highly successful dedicated Headspace Comparator that SAC previously made out of 6061 aluminum. They improved on its design allowing the new MHC to be used with cartridges up to 338 Lapua Magnum and more. Each bullet and headspace insert is precision machined out of 17-4 Stainless Steel for increased durability and corrosion resistance. Simply put, these are the highest quality headspace and bullet measuring tools available.

Safety Instruction Guide for Modular Headspace Comparator Inserts

Introduction

Thank you for purchasing the Modular Headspace Comparator Inserts from Short Action Customs. These headspace inserts are designed to provide you with accurate cartridge headspace and bullet measurements. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure the product is used only in accordance with the manufacturer's instructions.
- Always inspect the headspace inserts for any damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- Use the Modular Headspace Comparator Inserts only with the compatible Modular Headspace Comparator Body.
- Do not attempt to modify or alter the inserts; doing so may compromise their safety and effectiveness.
- Always wear appropriate safety gear, such as eye protection, when using tools associated with the headspace comparator.
- Avoid using the inserts in wet or humid conditions to prevent corrosion and ensure longevity.
- Ensure that the working environment is wellventilated to avoid inhaling any metal particles during use.

Instructions for Installation and Usage

1. Installation of the Modular Headspace Comparator Body

- Purchase the Modular Headspace Comparator Body separately.
- Ensure that the body is compatible with the Modular Headspace Comparator Inserts.

2. Attaching the Headspace Inserts

- Select the appropriate headspace insert for your cartridge (e.g., 6.5 mm).
- Align the insert with the Modular Headspace Comparator Body.
- Securely fasten the insert to ensure stability during measurements.

3. Measuring Cartridge Headspace

- Place the cartridge in the comparator with the head against the insert.
- Ensure that the cartridge is seated properly for accurate measurement.
- Read the measurement carefully, ensuring that you are at eye level with the scale for accuracy.

4. Storing the Inserts

- After use, clean the headspace inserts with a soft cloth to remove any debris.
- Store the inserts in a dry place, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of any damaged or worn headspace inserts in accordance with local regulations.
- Recycle materials when possible to minimize environmental impact.
- Do not dispose of the product in household waste; check for designated recycling facilities in your area.

Contact Information for Further Support

For any inquiries related to the safety or usage of the Modular Headspace Comparator Inserts, please refer to the manufacturer's website or contact their customer support. Ensure that you have the product details ready for efficient assistance.

Thank you for prioritizing safety while using the Modular Headspace Comparator Inserts. Your attention to these guidelines will help ensure a safe and enjoyable experience.
