[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Headspace Inserts for your Modular Headspace Comparator \*\*\*Requires Modular Headspace Comparator Body\*\*\* The Modular Headspace Body must be purchased separately and can be found at the Modular Headspace Comparator Body page. New Modular Design for the most accurate cartridge headspace and bullet measurements available! Newly designed Modular Headspace Comparator (MHC) is an updated version of the highly successful dedicated Headspace Comparator that SAC previously made out of 6061 aluminum. They improved on its design allowing the new MHC to be used with cartridges up to 338 Lapua Magnum and more. Each bullet and headspace insert is precision machined out of 17-4 Stainless Steel for increased durability and corrosion resistance. Simply put, these are the highest quality headspace and bullet measuring tools available.

# **Safety Instructions for MODULAR HEADSPACE COMPARATOR INSERTS SHORT ACTION CUSTOMS 6.5MM X 20°**

## **Introduction**

Thank you for choosing the MODULAR HEADSPACE COMPARATOR INSERTS from SHORT ACTION CUSTOMS. This guide provides essential safety instructions to ensure the proper and safe use of this product. Please read this document carefully before using the headspace comparator inserts.

## **General Safety Guidelines**

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Avoid using the product in wet or damp conditions to prevent corrosion.
- In case of any malfunction or damage, cease use immediately and contact support.

## **Specific Safety Precautions for Use**

- Always wear appropriate safety gear, including eye protection, when using the headspace comparator.
- Handle all components with care to avoid injury.
- Ensure that the Modular Headspace Comparator Body is securely attached before using the inserts.
- Do not attempt to modify or alter the product in any way.
- Be aware of sharp edges on the stainless steel inserts to prevent cuts.
- Use the product in a wellventilated area to avoid inhaling any potential dust or debris.

## **Instructions for Installation and Usage**

### **1. Installation of the Modular Headspace Comparator Body:**

- Ensure that you have the Modular Headspace Comparator Body, as the inserts require it for proper function.
- Follow the manufacturer's instructions for attaching the body securely.

### **2. Attaching the Headspace Comparator Inserts:**

- Select the appropriate headspace insert for your cartridge size (6.5mm in this case).
- Align the insert with the body and press it into place until it is securely fitted.

### **3. Using the Headspace Comparator:**

- Insert the cartridge into the comparator.
- Take accurate measurements as per the manufacturer's guidelines.
- Record your measurements for reference.

### **4. PostUse Care:**

- Clean the inserts and body after each use to maintain their condition.
- Store the product in a dry place, away from direct sunlight and moisture.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for stainless steel components where available.

## Contact Information for Further Support

For any inquiries regarding safety concerns or product support, please refer to the manufacturer's website or contact your local distributor for assistance.

Please ensure that you follow these safety instructions to promote safe usage of the MODULAR HEADSPACE COMPARATOR INSERTS. Your safety and satisfaction are our top priorities. Thank you for your attention to these guidelines.
